Letter to Headteacher applicants from Winwick CE Primary School Council

The School Councillors at Winwick CE Primary School would like to tell you a little about our views of our school.

In our school, we believe that the children are kind and polite to each other. You will find that our teachers and all of the staff are very helpful. We are a church school, and this means that we have strong links with our Church, Parish and wider community.

In our school, you can see the core values of Love, Respect and Perseverance. However, each class has their own class value of forgiveness, friendship, trust, respect, responsibility, thankfulness and courage. We think it is fun to be at our school and that we are all getting a great education.

We would like a new Headteacher for our school who is:

- Understanding
- Friendly
- Hard working
- Approachable
- Humorous
- Committed
- Trustworthy
- Kind-hearted

We would like a skilled and experienced leader who is happy in their work!
We look forward to meeting you and to welcoming you to our school.

Winwick School Council

'In God's love, aspire and achieve to be the best'
