Bury Church of England High School, with its long and distinguished history, is proud to be a part of the Bishop Fraser Trust family of Schools, which provides a great opportunity to work closely with other Trust schools; sharing good practice and building on our ongoing progress. Our commitment to Christian values and our motto 'Let your light shine' guide us in providing a safe and caring community where every individual can flourish.

We are proud of the school's good practice and high standards of achievement. Like any school we also have our challenges, but through our collective efforts, Governors, staff, parents and community partners are committed to improving the effectiveness of the school yet further. Our aim is to provide a high-quality educational experience for our pupils as we help to prepare them for adulthood and lifelong learning.

We are looking to recruit a strategic, dynamic, innovative and passionate leader to lead our school on the next stage of its journey. This could be an existing and experienced headteacher or a talented and ambitious Deputy Headteacher who is looking for their next challenge.

The successful candidate will have:

- Belief in the worth and potential of every student
- The ability to implement and secure change successfully
- Excellent interpersonal skills and ability to lead and inspire colleagues.
- A passion and drive for improvement
- Experience of growing quality educational provision to ensure our vision for our pupils is realised.

In return we offer you:

- A strong commitment to your ongoing professional development
- Mentoring by and support from an experienced CEO and Trust Central team.
- Support of fellow headteachers and staff from across the Trust and the opportunity to work collaboratively with other school leaders throughout the Trust.
- The chance to make a real difference to the lives of our inspiring children and young people
- A rewarding role with the opportunity to really make your mark and show real impact following the recent Ofsted inspection.
- Access to other employee benefits offered by our Trust

Candidates are warmly welcomed and encouraged to visit the school or contact the CEO for an informal discussion. For more information visit our website
