We are looking for an individual who shares the same vision and values – if you believe that you have the skills, drive and vision to help us achieve our aims we would be delighted to receive your application.

LORRAINE HEATH, OBE
CHIEF EXECUTIVE OFFICER

Welcome to Isambard Kingdom Brunel Primary School (IKB). IKB opened in September 2020 as a brand-new school on the recently built Longforth Farm development in Wellington. The school was built to cater to the growing numbers of families moving into the Wellington area, and particularly for this development. In 2020 IKB welcomed its first cohort of Reception children. Since then, the school has grown organically, one year group at a time to its current size of primary aged children from Reception to Year 5, inclusive of its thriving IKB Bright Sparks nursery provision.

IKB is a very special place. The team are absolutely and unwaveringly committed to the mission that Every Child Belongs, Participates and Achieves. The ambitious and inclusive community ethos of the school is evident through its height of standards and expectations which are modelled daily by leaders, staff, children and throughout the IKB community. Early Years provision forms the bedrock of the children's education and personal development, and IKB place great emphasis on this. Children leave Reception with a strong belief about themselves as learners and individuals, as well as a strength of belonging to their school and local community. Through the strong EYFS curriculum children move on to the next stage in their educational journey with a wider local, national, and global understanding of their place in the world which sets them up for their transition to the primary curriculum.

The IKB primary curriculum has been designed by the teaching team alongside leaders who have planned a broad and ambitious curriculum for every child, mapping the curriculum from EYFS to the end of Key Stage 2. The team strongly believe in teachers coming together to use their skill sets and creativity to plan, develop and nurture a curriculum that they are invested in, passionate about and that is specifically tailored to the children and community they serve. A bespoke curriculum that is sequenced to allow children opportunities to revisit and embed knowledge so that over time they are learning more and remembering more. Evidence of the success of the curriculum can be seen across all key stages where children are articulating and demonstrating a depth of knowledge and a thirst for more across all subjects.

You will find a committed staff team who are all invested in the IKB approach to education for all children, but particularly those who are disadvantaged or have special educational needs. Early identification of need is a priority of the school so that all children can receive effective adaptations to their learning when they need it and ensure that they are learning alongside

their peers. All staff are committed to providing an education from the age of two that removes all barriers to learning. The teaching profile of the school is a strong one across all key stages and amongst IKB's growing staff there is an ambition for further development and seizing opportunities to do so.

Parents and carers are wholeheartedly committed to the school and, like the staff within the school, are totally invested in the curriculum model that their children receive. Many parents describe staff as 'going above and beyond' to provide a school where their children 'flourish'. The school is supported by its 'Friends and Community' group (IKBFC), further strengthening home-school links as well as the governing body who are adept at providing a balance of challenge and support.

Enrichment and extra-curricular activities sit at the heart of IKB with a commitment to get every child involved and participating. Alongside the general before and after school wrap-around care are a variety of clubs inclusive of sports, performing arts, crafts, STEM and music. All clubs are run by staff members or local volunteers, further demonstrating the commitment to the Wellington community. School trips and visits, residentials and outdoor learning all form part of the curriculum offer and ensure that every child is receiving the opportunity to increase their cultural capital.

Above all else, IKB is a happy place where every member of its community feels that they belong and can be themselves. I strongly urge you to visit IKB prior to submitting an application, but I also understand if this is not possible and I would not want it to be a barrier to applying. I am setting up three school tour sessions in the coming weeks that I hope you will be able to attend:

- Friday 1st May at 16:00
- Tuesday 5th May at 17:15
- Wednesday 13th May 16:30

To book a visit, please contact the IKB school office team at office@ikb.bep.ac
