The governors at Abbots Hall Primary Academy are looking for a new Headteacher to lead and develop our school into the future.

Abbots Hall is a growing school, and we are seeking an innovative and enthusiastic leader to take us along the next stage of our journey. As head of teaching, we need you to lead by example and inspire our passionately committed teachers to be their very best and build upon our fantastic established curriculum.

Abbots Hall Primary Academy serves the community in Stanford-Le-Hope and Corringham. In 2021 we increased our PAN to two-form and increased our age range to incorporate two additional Nursery classes in our growing EYFS.

This is an exciting opportunity for an inspirational and committed individual to build on our existing strong foundations.

For this role, you will need to demonstrate school leadership and management skills, a commitment to professional development and providing opportunities of development for all. You should also have the personal qualities to build strong relationships with all stakeholders including parents, governors, and colleagues at all levels.

Potential candidates are invited to visit the school.

Please contact the Office Manager, Mrs Serowka, to arrange an appointment:

Closing date for applications – Noon 6th January 2022

Interviews are planned for 27th January 2022

Abbots Hall Primary Academy is committed to the safety and welfare of all its children and staff, and the successful candidates will be expected to share and lead this commitment. Any appointment will be subject to an enhanced DBS disclosure and positive references.
