Welcome from the Trust Board of Directors

Dear Applicant,

Thank you for your interest in the position of Headteacher at Westwoodside Church of England Primary Academy.

We are, as you will read, a young church based Multi-Academy Trust wanting to serve the young people and communities that our schools are set in. We seek to provide an education and environment which will enable each of our children to grow, thrive and reach their full potential, so they then go on to make a significant contribution of their own, throughout their lives, wherever they may be.

We believe in excellence and we are looking for a Headteacher who will, along with the excellent staff we believe we have at Westwoodside Church of England Academy help us to achieve this goal. We also believe in education as something which develops the whole person to play their part in today's world.

For the right person we believe this is an exciting opportunity to make a difference, not only to the individual lives of both staff and children of the Academy community, but also to the wider Trust.

Historically, Westwoodside has been seen as a 'good' school, and indeed we believe that there is much that is good about Westwoodside. However we do not want to be complacent and are looking for somebody who will help us address issues that have been raised in our recent ofsted inspection and will work to rebuild confidence and restore us to where we need to be.

As a 'young' Trust we are looking for somebody who will work with us to help shape the Trust and to be willing to build, share and receive learning and experience across the family of partner schools that we are seeking to build.

So, thank you for reading this far. For the right person we believe we have a very special school to offer in a much underrated part of the world in which to live. Please read on, and if you feel you can meet our hopes and aspirations, we look forward to receiving your application.

.Best wishes

St Lawrence Academies Trust is a new and growing Church of England Multi Academy Trust, based in the Diocese of Lincoln. We are currently a Trust of three schools, having been recently formed as part of the Lincoln Diocese MAT strategy.

As a new growing Trust, in recent months we have increased our central team with excellent practitioners and leaders of school improvement. They will work with Headteachers to ensure a high quality of education and an environment in which students can flourish.

Our aim is to allow schools to become stronger by working together. The delegated responsibilities to schools allows our school leaders to have the flexibility to make curriculum and pedagogical decisions that drive school improvement for the children in their care. Our strong and experienced central team provides the valuable business, operational and educational support services that allow school leaders to focus on the provision and outcomes of children.

By working together we draw **strength for today** and give **bright hope for tomorrow**.

We embrace children and staff from both church schools and non-church schools, across both the primary and secondary age range. Provision and opportunities across the Trust must nurture our students and allow them to flourish, by helping them find the things they enjoy and are good at. We want them to become the leaders of the future. As a Diocesan Trust, Christian values and the exploration and understanding of the Christian faith underpins our work.
