WELCOME FROM THE CHAIR OF GOVERNORS

Dear Applicant,

On behalf of the Governing Body of Archbishop Tenison's School, Croydon, I would like to thank you for your interest in the role of Headteacher. We recognise that applying for this role involves considerable personal and professional reflection, and we are delighted that you have chosen to explore this opportunity with us.

Archbishop Tenison's School is a community shaped by a strong sense of Christian purpose and tradition, rooted in the Christian foundation laid down by Archbishop Thomas Tenison. For generations, the school has sought to combine academic ambition with a deep commitment to pastoral and spiritual care, personal development and service to others. Today, Archbishop Tenison's is a diverse and inclusive school, reflecting the rich social, cultural and faith landscape of Croydon. We are committed to helping every pupil grow in confidence, character and aspiration.

The school is located in the Park Hill area of Croydon, a well-established and attractive suburb with a strong sense of community, which benefits from excellent transport connections to central London and the South East. This enables the school to draw on the opportunities of the capital while remaining firmly rooted in its local context, serving families from across Croydon and neighbouring areas.

Our vision is to secure academic excellence for every student within a Christian community where each individual is known, valued, and challenged to be their very best. This vision shapes our approach to teaching and learning, informs our expectations of behaviour, and underpins our unwavering commitment to safeguarding and wellbeing. We believe that education is about far more than examination outcomes alone; it is about forming character, nurturing curiosity, and equipping young people to understand their responsibilities to one another and to the world they will inherit.

The successful candidate will find a Governing Body that is deeply committed to the school, ambitious for its future, and keen to invest time, energy and wisdom in supporting our Headteacher's leadership. This ensures that the school benefits from strong, coherent leadership and a shared sense of direction.

This role calls for a Headteacher who shares our commitment to academic excellence grounded in the personal and spiritual flourishing of every student. We seek a leader with the vision and intellectual ambition to set high expectations for teaching and learning, and the confidence to lead others towards those goals. Collaborative by nature and open in communication, the successful candidate will understand leadership as a shared endeavour, working in close partnership with governors, staff, students, parents, and the Diocese to prepare young people to become thoughtful, mature, and fulfilled adult members of their future communities.

We hope that the vision set out in this document inspires you and we warmly encourage you to apply and help take Archbishop Tenison's school forward into an exciting future together.

Yours faithfully,

Eileen P Chapman
Chair of Governors

WELCOME FROM OUR SCHOOL CHAPLAIN

Dear Applicant

On behalf of the Archbishop Tenison's Church of England School community and St Matthew's church with which the school has close links, I am delighted that you may be discerning a call to become the next Headteacher of the school - welcome!

Archbishop Tenison's School has a rich history, a vibrant present and an exciting future and it is a privilege for me to serve as a Chaplain at the school and as an ex-officio governor. We celebrate the strong connection between the school and St Matthew's Church where I am the Vicar.

The school's motto is "Tenaciter - Academic excellence for each person in a Christian community" and this can be seen in the strong teaching at the school, the encouragement of every pupil to achieve their very best and the Christian ethos of the school which recognises the image of God in each person and the tenets of faith, hope and love which are woven into all aspects of the school.

Please do be assured of our prayers as you explore this next part of your journey.

Rev Ruth Chapman

School Chaplain and Foundation Governor

ABOUT OUR SCHOOL

Archbishop Tenison's is a school with a distinctive Christian character and purpose. Our school motto is 'Academic excellence for each person in a Christian community' and we aim to instil these values in everything that goes on at Tenison's. We want our pupils to experience a genuine, strong, Christian learning community. We want our teaching to be rigorous, imaginative and exciting, alive and alert to what interests them. We want to help pupils develop into people of good character, who can think hard, communicate well and understand for themselves different areas of human experience. We want to see them progress individually, but also grow spiritually and contribute socially – to the school now and in society later.

"The school's ethos makes a strong contribution to students' spiritual, moral, social and cultural development".
(Ofsted)

A School with a History

Our school was founded by Thomas Tenison, Archbishop of Canterbury, in 1714. He wanted to give "ten poor boys and ten poor girls" a good basic education to help them earn an honest living and grow in the Christian faith. We can, therefore, legitimately claim to be the world's oldest co-educational school. Over 310 years later we are on our third site in Croydon and still providing schooling of a high standard in a Christian context. We do this as an 11-18 voluntary aided, Anglican, mixed comprehensive school, within both the Diocese of Southwark and the Borough of Croydon, with Foundation Governors appointed by the Church of England.

A School with a Purpose

With over 310 years' experience we are able to approach the challenges of educating young people in the 21st century with clarity of vision and confidence of purpose. We know that the whole person matters, that the best curriculum combines the academic, the human and the practical and that the best teaching develops the knowledge, understanding and skills of each pupil across all the different subjects.

We also know that the best learning takes place in a school community where pupils know and are known and where they find the space to learn independently, the grace to understand new and difficult things and the inner strength to succeed.

This is what it takes for their academic study to be rewarding and, above all, enjoyable. We recognise that there is so much for us to learn as human beings – about ourselves as created in God's image; about the world in which we live and our purpose in being here; and about our relationships with other people and how we handle the differences between us.

"The vibrant Christian community in action, where pupils and staff are cared for as individuals".
(SIAMS)

"Archbishop Tenison's is where futures begin to take shape. A wide range of subjects are available to all, and the school is more than just a learning environment - it is a community of unique, driven and immensely supportive people. Students cannot help but feel welcome as well as confident about taking the next steps towards their futures." Aaliyah, Year 12

Teaching and Learning

The curriculum at Archbishop Tenison's retains a particular focus on the core subjects of English, Maths, Science and Modern Foreign Languages, with a high profile for History, Geography and Religious Studies, as well as a lively tradition of Art, Computing, Drama, Music, Physical Education and different forms of Technology. In the Sixth Form we add social science courses in Business Studies, Economics, Psychology and Sociology, as well as the Extended Project. Personal and Social Development is taught in every year.

Good teaching is at the heart of all that we do. Our school motto of "Academic excellence for each person in a Christian community" means that every lesson matters. High standards of discipline and pace ensure each pupil fulfils his or her potential in a class setting.

Imaginative resources, well-structured discourse and good teamwork between staff and pupils make for challenging and engaging tasks. Success is celebrated, effort rewarded and achievement recognised. Good provision is made for Gifted and Talented pupils and for those with Special Educational Needs.

"Archbishop Tenison's Sixth Form is a caring atmosphere full of friendly people, with a strong community feel. The staff are kind and never hesitate to help wherever they can. All subjects are taught with enthusiasm and passion. The Sixth Form offers not just a wide range of subjects but also many extra-curricular activities which are always enjoyable and rewarding." Daniel, Year 12

Assemblies and Church Services

Each year begins and each term ends with a service at St. Matthew's Church, where we also hold inter-denominational Communion Services once a year for each year group. Parents are warmly invited to our Carol Service and Founder's Day Services. Our Chaplain is the Vicar of St. Matthew's.

Diverse opportunities and expressions of worship that have a significant impact on the school community and are highly valued by pupils, staff, parents and governors"
(SIAMS)

Assemblies in school are held daily and are predominantly Christian, in keeping with the school's foundation. Parents have the right to withdraw their child from Religious Studies and collective worship.

"Our sixth form is a place that encourages both academic and personal growth. It offers a wide range of opportunities, but what truly makes it exceptional is the supportive community and inspiring environment. Here, students are challenged, guided, and motivated to reach their potential, leaving well prepared for the next stage of their journey." Zain, Year 13

"High quality teaching, effective leadership and consistently high expectations have ensured that all groups of students achieve exceptionally well"

Support for the Headteacher

Diocese and Local Authority Mentoring and Induction

All Church of England schools within the Southwark Diocese are part of the wider family of diocesan schools. The Diocesan Education Team provides pastoral and school effectiveness support and advice to Heads and Governing Bodies and offers training and professional development for all school leaders. Headteachers who are new to Church school Headship are invited to take part in the Diocesan Induction Programme which is specifically designed to meet the needs of Church school Headteachers. The SDBE will also provide a new Headteacher with a mentor in their first year of headship (usually an experienced Head of a local church school). A DSIP (Diocesan School Improvement Partner) is also available to support the Leadership Team with school improvement.

London Borough of Croydon

The local authority provides a range of services including school improvement, safeguarding and inclusion.

SEND services

The school also purchases the services of some independent SEND providers to support the needs of pupils with SEND.

Governing Body

The school has a committed and effective governing board. Governors ensure that the vision, ethos and strategic direction of the school are clearly defined, take account of context and make sure that resources are used effectively. They typically support and challenge leaders appropriately, giving due regard to leaders' and staff well-being and workload.

Archbishop Tenison's Foundation Trust

Archbishop Tenison's Foundation Trust operates a fund which supports the education of young people in the school. The fund originally had a single asset of a plot of land in central Croydon which in recent years has been sold and converted to an investment fund with the Trust's income dependent on growths or losses in that fund. The Foundation Trust also holds the ownership of the school site.

Archbishop Tenison's Development Trust

Archbishop Tenison's Development Trust is a charitable trust which operates a fund whose main source of income is parental contributions to the school. This Trust pays the school's contribution to the SDBE schools maintenance scheme and also pays the school's 5% contribution for any works carried out with SDBE under the Voluntary Aided Schools Capital Allocation (VASCA) funding.

OUR ETHOS AND VISION

As the last remaining Church of England secondary school in Croydon, our Christian ethos is at the heart of everything we do. It is our Christian distinctiveness, flowing through our academic curriculum and pastoral care that sets us apart from every other secondary school in the area.

As a school community we are constantly looking for opportunities to turn our ethos and vision – ‘Academic excellence for each person as part of a Christian Community’ and our school motto “Tenaciter” - into a lived-out reality for all those involved in the life of the school.

Specifically, the school aims:

- To uphold Christian belief through worship and daily life and enable students to grow in a living faith
- To develop the habit and skills of academic enquiry, intellectual integrity, and a love of learning for its own sake
- To broaden the student’s cultural experience by active involvement in and an appreciation of the expressive arts and by examining the role that culture, including science and technology, plays in creating civilised societies
- To develop students’ awareness and understanding of their physical capabilities through curricular and extra-curricular activities and foster positive attitudes to health and safety and sportsmanship
- To promote an understanding of different religions and ethnic origins and cultures in order to reduce intolerance and prejudice; to promote the integration into the community of people of all ethnic backgrounds; and to foster and develop a strong sense of moral values which are given practical expression in all aspects of the lives of those who make up the school community
- To create in students an awareness of their abilities and enable them to realise their potential and play their full part, as Christians, in the wider community in this country and overseas; to prepare them for the world of work and to develop in them interests they will find enriching and fulfilling
- To encourage pupils towards an understanding of their own feelings and the feelings of others, thus developing a friendly, supportive and caring community, in which every student is equally valued. The school aims to be a centre of excellence in all that it does. It is a partnership involving students, staff, governors, parents and carers, based on mutual respect and a common purpose.

Our curriculum vision is:

- To learn together as a Christian learning community
- To educate the whole person
- To provide the whole curriculum
- To teach with understanding – of the subject and the person learning it
- To learn with tenacity, humility and hope.

We value 5 things in particular: courtesy, calmness, concentration, confidence and consideration.

Our spiritual vision

The vision for our school is rooted in 1 Corinthians 13:13, where Paul, writes the following to the church in Corinth about the foundations of Christian ethics and community life - “these three remain: faith, hope and love.”

We believe the purpose of a Christian education is to reach our full stature as human beings, no longer children “tossed to and fro by the waves”, but rather “growing up in every way ... into Christ” as members of his body, in which each part makes a vital contribution to the whole (Ephesians 4: 14-16).

At Archbishop Tenison’s, our understanding of spirituality is centred around three words, and within these three words understanding about God, ourselves, and how we view each other and the world.

Vision (faith) - We believe that God calls us to have vision - for our lives and for the world around us.

Tenacity (hope) - Made in the image of God we believe that we are called to be tenacious. Tenacious in our faith, tenacious in our teaching, and tenacious in our learning.

Vocation (love) -We believe that teaching is a vocational calling, and through our teaching we give pupils the opportunity to explore the subject we teach, and the pastoral care we offer.
