## A Message from the SEND Lead

The Community Inclusive Trust (CIT) is fast developing as a successful Trust chain with schools based in Lincolnshire, Nottinghamshire and Leicestershire. It is unique in its make up as 7 of our schools are Primary Mainstream and 7 are for pupils with Special Educational Needs (with 1 further SEND schools opening in 2023/24). Although the Trust requires some standardisation it is a requirement of CIT that schools maintain their autonomy whilst sharing good practice with one another.

CIT has a range of services and high-quality support designed to remove as many of the low-level administrative tasks as possible from Headteachers. This then allows Headteachers to focus upon quality of teaching, student/pupil learning and development.

We are seeking to appoint a dynamic and forward-thinking person who is committed to embracing the current education agenda and who has the experience, energy and ability to lead and develop an SEMH school.

We are looking for somebody who has senior leadership or headship experience with values that align with the Trust – 'where learning comes first'.

With very best wishes

James Ellis

## **Working in Boston**

Boston is a busy market town and an inland port. It is famous for having the largest parish church in England, St Botolph's Church (Also known as the Stump). It also has countryside on the doorstep with the Lincolnshire Wolds an Area of Outstanding Natural Beauty just up the road.

## **Boston Endeavour Academy**

Boston Endeavour Academy is a newly built special school for children aged 2-19 with a range of learning difficulties and disabilities, located in the market town of Boston, Lincolnshire. We opened in September 2021 with many state of the art facilities including therapy rooms, a hydrotherapy pool as well as specialist classrooms and a life-skills suite. The school will build on the proud legacy of the John Fielding Special School, which has served the town for almost 50 years and which it replaces with all existing staff and pupils transferring over.

The school is values-driven, based on our Mission to be 'a caring and respectful family, committed to maximising the learning and development of our students, supporting them to become happy and fully-included members of their community'.

We believe that children require a certain culture in which to learn most effectively. Characteristics of our culture which we foster and are proud of include: high aspirations for all our pupils, expectations of good behaviour and respect towards one another, high safeguarding standards in which all feel secure and safe, a sense of fun, enjoyment of learning and the highest standards of care.
