

October 2021

Dear Applicant,

Thank you for your interest in our school and the post of Headteacher at Christ Church Primary School.

The Governing Body are keen to appoint a Headteacher who will continue and build on the good progress made by the current Head to take the school beyond the Recovery Curriculum and maintain and develop its Good Ofsted rating.

We are looking to employ somebody who is a strong approachable leader and is passionate and knowledgeable about teaching and learning in schools and has a love of working with children and making a difference.

We are looking for a team player who can support the ethos of the school. There is an existing non-Teaching Deputy working Monday to Thursday who has been Headteacher each Friday for two years, sharing the post very successfully with our retiring Headteacher.

We enclose a job description and personal specification which provide more details about the post.

Our school is situated in the heart of the very diverse community and is a key part of the local area.

More information about our school is available on the school website.

We look forward to hearing from you.

Yours sincerely

S Marbrow

Sue Marbrow
Chair of Governors

Headteacher: Mrs V Anderson
