

LETTER TO HEADTEACHER APPLICANTS FROM CHAIR OF GOVERNORS

Dear Applicant,

Thank you for considering Northburn Primary School as the next step on your career path.

Our current Headteacher will be retiring from the role at the end of the summer term, after many years of dedicated service at Northburn Primary. Under her leadership the school has flourished, and we are now seeking an influential leader to continue to build on her excellent legacy.

Northburn Primary School pupils achieve strong academic results, and in addition to this, we believe it is important to ensure wider knowledge and experience. Our vision is to provide a nurturing environment where every child can thrive academically, socially and emotionally.

We are proud to have developed a Specialist Support Base, which is designed to create a tailored environment to facilitate and enhance the education of our pupils who require additional sensory, emotional and social support. We continue to expand our Forest School, providing a unique and enriching outdoor learning experience for our pupils, reflecting our commitment to holistic education.

On offer is a warm and inclusive environment, with committed staff, engaged parents and encouraging and supportive governors. Our children want to learn and succeed, and the Headteacher role will offer the successful candidate opportunities to make a real difference.

As Chair of Governors, I feel privileged to be part of Northburn Primary School. My connection spans nearly 20 years, and I have been honoured to serve as a governor, vice chair and now chair. I am immensely proud of our schools' achievements and the special place it holds within our local community.

We are looking for a Headteacher who can embrace the values of the school, demonstrate a desire to build on the rich and varied knowledge-based curriculum that is in place, and promote social and emotional development. We seek a leader who demonstrates diligence, tenacity, and honesty, who is resilient and will take pride in our school and its growth.

If you share our passion for providing a nurturing and inspiring education for children and are excited by the prospect of leading Northburn Primary School, we would love to hear from you.

Yours faithfully

Ann Wheat

Chair of Governors
