

Due to our current headteacher securing promotion to a larger primary school, the children, staff, and governors of Crow Orchard Primary School are seeking to appoint an innovative and inspirational Headteacher with the creativity, enthusiasm, and ambition to lead our school onto the next stage of its journey. Our new headteacher will ensure the best possible experiences and outcomes for every child where their love of learning provides a strong foundation for their future.

Crow Orchard is an established school in Skelmersdale, Lancashire, where every child is supported and encouraged to reach their full potential. The school is part of a caring community with children strongly supported by parents and carers who absolutely want the best for them.

If you choose to join our family, we can offer you:

- A welcoming, friendly environment with happy, creative children who demonstrate our school values of kindness, curiosity, creativity, courage, proud, honesty, aspire and resilience.
- An excellent team of creative, hard-working, and experienced teachers who work in close partnership with our dedicated support staff striving to raise standards in the classroom and beyond.
- A highly supportive Governing Body fully committed to the ongoing development of the whole school.
- A commitment to your personal and professional development.
