Trust Vision and Values

LIGHTHOUSE
SCHOOLS PARTNERSHIP

We believe that:

*‘Being Different,
Belonging Together’*

Welcome from Chair of Governors

Dear Applicant,

Thank you for your interest in the post of Headteacher here at Easton Church of England Primary School.

As a Church of England school, we are unique in Bristol in serving a largely Muslim community. We have close links with the adjacent church and with parents and our children value opportunities to share ideas about different faiths. Our school prides itself on its inclusive and nurturing culture, where every child is valued and encouraged to reach their full potential and to flourish. We are ambitious for our pupils, in terms of academic outcomes, access to enriching experiences and in fostering a love for learning.

Our move to Lighthouse Schools Partnership (January 2025), has allowed us to draw on the experience and support of other schools and the Central Team as well as making contributions to the Trust, drawing on the expertise of our own staff. As a school, we have been through a period of significant change and we are excited that, with the right leadership, we are well placed to build on our strengths and to address the areas for development identified by our new trust and Ofsted.

Easton is a community where staff, parents, governors, church and trust are in partnership to make a real difference to the lives of our children. We are seeking a Headteacher who can meet the challenges of this role, encouraging each member of our community to 'act justly, love mercy and to walk humbly with their God'.

This pack should contain much of the information that you will need. However, as this is an exceptionally important process for the school and a significant decision in your own professional career, please do not hesitate to contact us if you have any questions. We would encourage prospective candidates to visit our school prior to application.

To book a visit please email the Central LSP Admin Team via enquiries@lsp.org.uk

I hope that you will feel encouraged to submit an application to us, and may I thank you in advance for the thought and effort that this will inevitably entail.

Chair of Governors

School Context

Key Data at November 2025

School Context

Easton is a vibrant, multi-cultural, inner-city school serving an incredible community by educating pupils from 3 to 11 years (including a special needs resource base for pupils with ASD).

The school's vision is taken from Micah 6 v8. 'Act justly, love mercy and walk humbly with your God.' supports this diverse community in living well together. Pupils tell us best thing about their school is that everybody is welcome! They truly celebrate 'Being Different, Belonging Together.'

Easton is a lovely place to learn and work!

Since joining Lighthouse Schools Partnership (LSP) in January 2025, Easton has been developing and broadening its curriculum by adopting the LSP core curriculum. The recent implementation of the new phonics scheme (Unlocking Letters and Sounds) has led to improving outcomes since adoption.

This is a school on the up and the team are positive about the journey to improve outcomes and provide the children in this fantastic community with the tools they need to succeed. The school is well supported and resourced by a strong partnership with the LSP Central Team to enable leaders to make this journey of rapid improvement.

Behaviour at Easton is good. Relationships are strong and children feel safe here. The school benefits from strong partnerships with their local community and local church. For example, pupils in KS2 visit Bristol University as part of their learning in science. The local church chaplain works with the school and their families to develop prayer tents to support pupil spiritual development.

The school is situated on a large site spread over two purpose-built buildings. The school has a large, well attended nursery provision as well as a 12 place special needs resource base for Autism Spectrum Disorders (ASD) which is run in partnership with Bristol City Council.

Outside there is a school field, two purpose built multi-sport facilities and a large playground.

Links to Church and Diocese

Being a Church School is important to us and serving our local community is central to Easton CE Primary School. Our partnership with our local church (Easton Christian Family Centre) is active and strong and enriches the lives of all in our community. We welcome all pupils regardless of faith or belief. Easton CE Primary is a church of England school serving a diverse population of pupils. Pupils come from a number of faith paths, the largest of which is Islam.

Pupils in the school attend Community Time (collective worship) which is invitational, inclusive and inspiring. Leaders craft time together as a whole school to think deeply on different values as part of the school's vision. Opportunities are taken by leaders to draw links between Christianity and Islam for example when talking about loving one another, texts will be taken from the Bible and the Quran.

The school was last inspected by SIAMS in November 2017 and received good feedback. The school is due to be reinspected under the new framework during the 2025-26 academic year.

Our schools are supported by a member of the LSP Central Team who leads on Christian character, and we encourage our Heads of CofE Schools to make full use of the Diocese of Bristol's extensive programme of training, events, conferences and retreats so that they are fully able to develop this central aspect of school culture.

It is not essential for prospective candidates to have church school experience, but we will want to appoint someone who is both comfortable and enthusiastic about what the school's church foundation can bring to children and their community. Church of England schools are not 'faith schools' but are for the whole community and we will expect the new Headteacher to be able to develop a school that is inclusive in every sense.
