A Message from the SEND Lead

The Community Inclusive Trust (CIT) is fast developing as a successful Trust chain with schools based in Lincolnshire, Nottinghamshire and Leicestershire. It is unique in its make up as 7 of our schools are Primary Mainstream and 7 are for pupils with Special Educational Needs (with 1 further SEND schools opening in 2023/24). Although the Trust requires some standardisation it is a requirement of CIT that schools maintain their autonomy whilst sharing good practice with one another.

CIT has a range of services and high-quality support designed to remove as many of the low-level administrative tasks as possible from Headteachers. This then allows Headteachers to focus upon quality of teaching, student/pupil learning and development.

We are seeking to appoint a dynamic and forward-thinking person who is committed to embracing the current education agenda and who has the experience, energy and ability to lead and develop an SEMH school.

We are looking for somebody who has senior leadership or headship experience with values that align with the Trust – 'where learning comes first'.

With very best wishes

James Ellis
