- Offers all children equal access to the curriculum and all aspects of school life; where individual differences are appreciated, celebrated, understood and accepted;
- Encourages children to become good citizens holding British values, by developing caring attitudes, tolerance and respect towards themselves, other children, adults, their school and their community.

In return we can offer you:

- Happy children who are eager to learn;
- Dedicated, hardworking and committed teaching and support staff;
- A commitment to continued professional development;
- A supportive Academy Trust and active Local Governing Body;
