OUR SCHOOL

St Mary's CoE Primary Academy is located in the heart of the city of Leeds, yet tucked away and with access to plenty of green space. At St Mary's we work to develop the full potential of all individuals, within a caring Christian community. Our school, which is now part of the highly successful Collaborative Learning Trust group of schools, has increased its focus on high standards and academic excellence, whilst also embracing the following Christian values:

- Respect
- Forgiveness
- Trust
- Kindness
- Thankfulness
- Friendship
- Hope

COLLABORATIVE LEARNING TRUST

Working Together to Secure Success

What it means to be a part of our trust:

Collaborative Learning Trust schools place children at the very centre of everything that they do. As the name suggests, CLT schools work together to share knowledge, skills and expertise in order to secure the highest quality education provision for all our students. Across the Trust there are shared values and a shared approach to education:

Education for the common good of the whole community - supporting the development of lifelong independent learners with the creativity, adaptability, resilience and leadership skills to contribute to society

Education for dignity and respect - a focus on equality for all, trust, integrity, respect and an appreciation of diversity

Education for wisdom, knowledge and skills - high quality teaching and learning designed to secure 'all around' education of young people and engender a passion and enthusiasm for learning

Education for hope and aspiration - a culture of aspiration and success (in students, staff and governance)

If you would like to book a personal tour of the school, please do get in touch.
