Dear Candidate

On behalf of the Governing Body, thank you for your interest in the post of Headteacher here at Huntington School. We are delighted that you are considering applying to lead our school at this exciting time in our journey.

As a whole school community, we live and work by our core values of Respect Honesty and Kindness, demonstrating this in everything that we do and in every decision that we take.

We are proud to be an inclusive school and our staff are dedicated to working tirelessly to help every child, regardless of need or background achieve and thrive, enabling them to move onto their next stage in life.

In its most recent Ofsted inspection in 2023, the school was rated as an Outstanding school and we are proud of this achievement. Regardless however, we recognise that development is always needed and we continue to work hard to ensure that we position ourselves to deliver high quality teaching and learning and outcomes for all.

Our school is led by highly skilled senior leaders, together with a strong and diverse Governing Board who work tirelessly to drive the strategic and operational direction of our school, adapting to the changing educational landscape around us.

Our students are eager to learn and strong advocates of our core values. We have high expectations of all, yet we understand that journey looks different for every student and we aim to tailor our approach accordingly.

We are demanding of our staff and we expect high standards of professionalism and skill from all. We ensure that all staff have access to high quality CPD and our senior leaders work closely with our Research School to develop this.

We are proud to host our Research School, placing evidence-informed practice at the heart of our teaching and learning practices. This role keeps us at the forefront of educational innovation

As a school, we recognise the next steps in our development. We are now seeking an outstanding, inspiring and visionary leader who will continue to build on the strong foundations laid down by our current Headteacher and guide the school into its next stages of development.

If you would like to find out more about our school, I encourage you to visit our website or speak to me directly.

We look forward to welcoming you to visit our school.

George Edmond
Chair of Governors
