St John's re-designed school website contains much of the information available to understand the ethos, context, organisation, life and direction of the school.

The site is divided into seven sections

- Home and Our School which includes the Head's Welcome and Church School & Worship Teams. Church School & Worship Teams has information about St John's vision, aims and values, Our Christian Ethos and community links.
- Key Information which includes amongst other things: Admissions; EYFS, Governance, Evidence based Pupil Premium Strategy Statement; PSHE and British Values, SEND; PE and Sports Premium and Safeguarding. Policies are included here as is a link to the Schools Financial Benchmarking Service. Ofsted and Performance Data are included, links to School Inspection Reports, Sats results and Child Friendly SIP 2023/204 Overview of Priorities.
- Learning at St John's which includes Our Curriculum, Subjects on a Page and detailed information about curriculum subject areas. An example of cross curricular work/display - Multicultural week.
