4 April 2024

Dear Applicant

Thank you for your interest in the appointment of Headteacher at Tansley Primary School. We are on the edge of Peak District, in a rural location but which has easy access to Sheffield, Derby and the M1.

We are a small thriving school at the heart of a growing community. The school has extensive grounds, featuring hard surfaced play areas, a field, pond and garden area. Our pupils are actively encouraged to be caring and considerate of each other and the older children act as positive role models for the infants.

As a school we are totally committed to building on the work that has already been done towards raising standards across all areas of the curriculum. The efforts of the staff team have been instrumental in developing our success at all levels. They are professional, friendly, fully committed and determined to provide children with every opportunity to enjoy and learn from each day.

We want our new Headteacher to add to the strength that already exists. We want someone who can maintain and develop relationships with parents, carers and the community and shape the future of the school without losing the ethos that makes the school what it is. The Headteacher will have a small teaching commitment attached to the post which will provide the opportunity to lead by example supporting and in encouraging the ongoing professional development of all staff.

We are looking for somebody special with the kind of warm enthusiasm that motivates and inspires people around them, a clear vision, and the ability to juggle the delivery of long-term goals whilst making sure that the day-to-day running of the school operates smoothly. If this sounds like you then we would really like to hear from you.

I look forward to receiving your application.

Yours sincerely

Judith Holt
Chair of Governors
