Dear Candidate,

We are members of the Year 6 class and we would like to share with you our thoughts on Leyland St James' CE Primary School: what we feel is fantastic and what we believe can be improved.

Leyland St James is a friendly and welcoming school built on Christian Values. Our vision states that we:

'Shine like stars as children of God.' Philippians 2:15.

We do this through our School Values: joy, resilience, peace, respect, trust and finally love, which is the golden thread weaved throughout all that we do as a school.

Our school is beautiful inside and out - it has wonderful teachers, support staff and pupils. Outside, there are lots to explore including: a Multi-Use Games Area for sports, lots of field space as well as a Forest School area! Leyland St James' Church can be seen from school and is only a two minute walk away. We often enjoy visits there for class services as well as celebrating special events in the church calendar.

The school has made lots of improvements over the past few years, to make sure we get the best possible education. We now have lots of Young Leaders in school, who represent all children. Our after school club provision is improving and we have a wide range of activities going on throughout school on a weekly basis.

We feel that our school will continue to grow and get better by developing our playgrounds and improving the technology that we currently use.

We are very proud of our school and ask that leaders who like to have fun, are kind and have high standards apply to be the next Headteacher at our school.

Thank you for taking the time to read our letter.

Yours Sincerely,

Year 6
