

Lickey Hills Primary School & Nursery

dream together • believe together • achieve together

Welcome from the Chair

We are delighted that you are considering applying to become our next Headteacher and would like to wish you a warm welcome to our friendly and inclusive school. We have a clear vision and want all children who attend our school to become independent, confident and resilient learners who really enjoy their time with us. We pride ourselves on offering a wide educational experience, encouraging all talent, including extra-curricular activities. Located within the Lickey Hills, we are proud of our rural setting and build on this by offering Forest School to the children.

With the retirement of our previous Headteacher, who has provided stability and ambition for the school for the past 10 years, this vacancy is a wonderful opportunity to build on our good Ofsted rating and lead the school into its next phase. Building on established and positive relationships within our local community, and with local Primary schools, we are keen to create stronger partnerships with establishments who can offer more opportunities for our staff and children, moving towards Academy status in line with the Government's national agenda. We are looking for someone with vision who can lead this and embrace this.

We have a strong SLT, who are all experienced and established at the school, to support you and ensure that you are welcomed by staff, children, parents and other stakeholders. We have a large team of dedicated staff and a committed, experienced and supportive governing body who all share the same drive and passion to make Lickey Hills a warm and welcoming place to work and learn.

We are looking for a Headteacher who can provide strong leadership at all levels and is passionate about education. With high standards and a drive to keep ensuring we are as good as we can be in all areas, we are looking for someone who likes a challenge and isn't afraid to keep striving for excellence. Our school is in a strong, stable position and provides an ideal opportunity for someone to make an impact, put your own mark on our next decade, and lead us into Academy status.

If you are looking for a new challenge to make a difference to a significant number of local families, staff and wider community, please visit our school to see if this is the right opportunity for you.
