WE ARE RECRUITING FOR A HEADTEACHER

ABOUT US

Opening in September 2023, Oak Tree School will cater for 150 children from Year 1 to Year 13 with complex needs, including Autism Spectrum Disorder and associated complex needs.

Our mission is to recognise each and every one of our pupils as individuals, and to nurture their potential, developing the whole child by challenging and supporting them, intellectually, emotionally, socially, and physically.

Maiden Erlegh Trust has a track record of running high achieving, inclusive and vibrant schools. Oak Tree School will be no exception.

We are looking for someone who shares our ambition for the school, its pupils, its staff; and to lead the school into the opening phase and beyond. If you have the enthusiasm, experience and rigour to implement an ambitious academic and personal development curriculum then we would like to hear from you.
