MANOR PARK
ACADEMY

Letter from Sir Steve Lancashire, Chief Executive, REAch2 Academy Trust

Dear Candidate

Thank you for your interest in these roles within the REAch2 Academy Trust.

This is a hugely exciting time for our family of schools. The Trust has been recognised by the Department for Education as being well placed to raise standards and achieve excellence for pupils in a growing number of schools nationwide. We are presented with a rare opportunity to make a real difference to the lives and life chances of so many primary school children – many of whom haven't previously received the educational opportunities they deserve.

The Trust includes schools at all stages of development, from those requiring significant improvement through to existing outstanding schools. As a Trust we are clear about the importance of achieving long term sustainability for our schools. Our vision is to enable individual academies to flourish with real autonomy, whilst also ensuring a strong ethos of support and collaboration across our schools.

Teachers within REAch2 belong to a national community of professionals, and benefit from a wide range of networks and development opportunities across the Trust. In time, our best teachers are able to work across schools, develop specialisms and step up to leadership roles within and beyond their own academy. The Trust provides a strong culture of collaboration and support, together with high expectations for staff and pupils alike.

Those we recruit are able to demonstrate that they share our values, are highly motivated to work with colleagues within and beyond their school to continuously develop their skills and pursue professional excellence, and are committed to providing the highest standards of teaching for all children. If that is you then we would be delighted to receive your application.

Sir Steve Lancashire

Chief Executive, REAch2 Academy Trust

Letter from Tim Culpin, Director of Education, REAch2 Academy Trust

Dear Candidate

Thank you for your interest in these roles across four of our schools within REAch2.

In September 2019, the Trust moved to a cluster model: each of our schools is within a cluster of up to eight schools, with the headteachers supported by and reporting to a Deputy Director of Education. This model offers a warm, family orientated ethos, where you would thrive with experienced headteachers stepping up, supporting each other and working collaboratively for the good of all the children in the Trust. Our newly appointed Deputy Directors of Education were all successful headteachers within the Trust, who wanted the opportunity to grow, develop and remain at REAch2.

Here, we offer a package of support and mentoring for all new headteachers with a thorough induction programme, covering all areas including human resources, finances, estates and health and safety, as well as teaching and learning within the Trust.

Our schools are unique, with different communities and social demographics. What they all have in common is a deep-seated belief in providing exceptional opportunities for learning and for providing our children with an education second to none.

The next few pages of this document show you our Touchstones (our core values) and give some more detail about the different schools for which we're recruiting. Each is on a different journey, but the headship roles in each require a fantastic individual who puts children at the heart of all they do, is ready for a challenge and who wants to join a successful and family-oriented Multi-academy Trust.

If this sounds like you, I'd love to hear from you.

Tim Culpin
Director of Education, REAch2 Academy Trust

Our Cornerstones and Touchstones

REAch2 is the Cornerstone of the Trust: providing a strong, responsible foundation from which every academy develops and grows. A cornerstone provides a subtle yet paramount role in the construction of a building and ensures that REAch2 is a trustworthy, accountable and inspirational organisation, delivering the best possible learning experience.

REAch2 is defined by the values of **excellence, quality, delivery and standards** – these features give the Trust its enduring attributes and its inherent reliability.

However, what gives each REAch2 Academy its uniqueness are the Touchstones of the Trust (seen on the right). Just as 500 years ago touchstones were used to test the quality of the gold they marked, so too our touchstones find what is precious and set these things apart. They are used to express the values and ethos of the Trust and describe what the Trust wants to be known for and how it wishes to operate.

With good **leadership**, we aspire to develop children academically, emotionally, physically and spiritually. We notice talent and spot the ‘possible’ in people as well as the ‘actual’. Developing potential across our Trust becomes a realisation that there is a future worth pursuing for everyone.

Children deserve **enjoyment** in their **learning** and the pleasure that comes from absorption in a task and achieving their goals. Providing contexts for learning which are relevant, motivating and engaging, release in children their natural curiosity, fun and determination.

Inspiration breathes energy and intent into our schools: through influential experiences, children can believe that no mountain is too high and that nothing is impossible.

REAch2 serves a wide range of communities across the country and we celebrate the economic, social, cultural and religious diversity that this brings: embracing **inclusion** ensures that we are a Trust that serves all, believing that everyone can succeed.

We take our **responsibility** seriously. We act judiciously with control and care. We don’t make excuses, but mindfully answer for our actions and continually seek to make improvements.

REAch2 is a Trust that has a strong moral purpose, our **integrity** is paramount. Our mission is to change children's lives by providing the very best quality education we can. Through this, children can fulfil their potential, become happy, successful adults and contribute effectively and meaningfully to society. We welcome the fact that all our decisions and actions are open to scrutiny. [You can learn more about REAch2 at our website: www.reach2.org](http://www.reach2.org)
