SCHOOL BUSINESS MANAGER: Amena Begum

January 2026

Dear Applicant

Thank you for your interest in our school. We hope that after reading this pack you are inspired to apply to be our Headteacher.

Mayflower offers an exceptional candidate the opportunity to lead a unique, diverse and highly effective school, rated “Outstanding” by Ofsted, and rooted at the heart of a vibrant and engaged local community. When you visit, you will discover what a great school Mayflower is.

Mayflower is a 1.5 form entry, primary school in East London. We have two classes per year group from Reception - Year 6. We welcome children and families from a variety of different backgrounds and cultures, working together, our staff, parents and children make Mayflower school a vibrant and exciting place to learn, where the curriculum is enriched with a variety of educational visits, workshops in school and a host of extra-curricular activities.

At Mayflower, our dedicated staff work together to inspire children to use their imagination and curiosity and to work collaboratively to solve problems and propose solutions. We help our children to appreciate the impact that their behaviour has on themselves and others and to work together to preserve our safe and engaging school environment.

Our current Headteacher has led us effectively through a long period of sustained success that has resulted in a school that is well-run and financially solvent. Our children’s academic progress is strong and every child benefits from a rich curriculum and dedicated teaching staff and resources. We pride ourselves further in offering exceptional safeguarding and SEND provision to any vulnerable child or those with additional needs.

We recognise that there are always new challenges ahead, and we expect our new Headteacher to lead our school into our next phase of development. Due to the changing needs of modern society, our local community and the educational and political landscape place fresh demands on how we deliver the best, most relevant education to our children in an environment of ever-tightening financial resources and ever-increasing expectations.

**ASSISTANT HEAD:** Heba Al-Jayoosi

**SCHOOL BUSINESS MANAGER:** Amena Begum

Our new Headteacher will need to demonstrate a clear commitment to Mayflower's future development, compatible with our vision and values for our school. We're looking for an inspirational leadership style, great communication skills, strong attention to detail and a capacity to build strong working relationships with our governors, teaching staff and the parent community. I encourage you to visit us and see for yourself how special Mayflower is.

We look forward to meeting you, and to receiving your application, for what is an exceptional opportunity in the leadership of primary education in this diverse area of East London.

On behalf of the Governing Board

Megan Hunter

Chair of Governors
