

“Excellence, Truth and Grace”

To the future head teacher,

First we want to tell you about our school:

Our school is a happy, calm place. We are very welcoming and friendly to new students. Parish has a lot of children, over four hundred but it feels small inside. Christian values are a main part of our school and are input into most subjects. A number of staff have been at our school for many years and have lots of experience. We feel loved and cared for at Middleton Parish Church School.

What we would like:

We want a head teacher who will improve our school environment as we feel it needs it. A Head teacher who is strict, but fair and will listen to us. They will need to understand the children at our school as we are all very different. Where possible it would be nice if the Head teacher can maybe teach us or come and see us in the classroom, this way they would really get to know us. A person who will commit to our school 100%.

Thank you,
School Council
