A Small School with a Big Heart

6th March 2026

Millhouse Primary Headteacher

Thank you for your interest in the role of Headteacher at Millhouse Primary School.

Our school motto is “**a small school with a big heart**” and nothing I write here will convey the culture and values of our school better than those 7 words. Our school needs a Head that will live by that motto, a dedicated Head who puts the children at the centre of everything they do, but also leads by example, supports their colleagues, engages with the community in which we live and works tirelessly to give the children of Millhouse Green the best possible start in life.

My first involvement with Millhouse Primary was when I was choosing a school for my own children. It wasn't a hard decision! It was immediately obvious that this was a school that would provide a nurturing environment for my girls. A place where they could learn and develop academically but also thrive as young people. A school where the Head knows every child, every parent and understands the individual circumstances and needs of every single pupil in the school. As time has gone on, and my own children have progressed through the school I have seen as a parent the support and care that has been given to them as they have faced their own challenges. My children are nearly at the end of their time at Millhouse Primary and I know with certainty that this was the right choice for them.

Aside from my experience as a Millhouse Primary parent, my role as Governor has given me a deep appreciation for the challenges facing a Headteacher at a small school. We are looking for someone who understands and embraces those challenges, who appreciates the fact that being a Head in a small school is not like any other job, someone who is excited by the breadth of the role and the many different hats that they will have to wear. I want to assure you that you will be supported by a dedicated team of Governors whose experience covers education, business, local authority, public sector, private sector and everything in between.

I truly believe that the right person will thrive at Millhouse Primary and find the role varied, stimulating and most of all, as they watch the children grow and develop across their 7 years here, the most rewarding job in the world.

I very much look forward to meeting you.

Richard Sullivan
Chair of Governors
Millhouse Primary School
