

BELIEF IN EVERY CHILD

WELCOME TO BLACKDOWN EDUCATION PARTNERSHIP

Thank you for your interest in this post. Please take some time to have a look at this pack and gain a sense of who we are and what we stand for. All Multi-Academy Trusts are different, and we are keen to explain why we believe that our values and ethos make us a great employer.

The Blackdown Education Partnership is an established trust created by the merger of two highly successful founding trusts which shared some important similar values. Put simply, we believe that collaboration, partnership working and sharing our best ideas will enable us to deliver on our mission:

- To nurture and develop the ambition, talents and interests of every child
- To break down the barriers that inhibit the opportunities and achievements of disadvantaged pupils so that they can go on to lead lives of choice and opportunity
- To create a family of schools that are deeply and purposefully connected to their communities.

As we have grown, we have taken the opportunity to think carefully about how best to support schools to provide an excellent education in an inclusive and nurturing environment where children thrive and feel valued. This has enabled us to put together a small team of outstanding professionals whose individual and collective expertise bring additional value to the work of our school leaders. The drive for improvement, to continually and relentlessly seek to overperform is shared by the whole team and through their hard work, our reputation as a high-quality Trust is also growing.

Our schools are all characterised by a strong ethos, ambitious culture and compassionate environment which together drive success. We are lucky enough to employ brilliant people who share our vision, many of whom have started careers with us and stayed to progress these careers. We want people to join us who believe that whatever their role, they can make a difference to the life chances of students. We are totally committed therefore to helping all our staff thrive and fulfil their professional ambitions. A large number of colleagues are currently undertaking leadership development training which ranges from the full suite of NPQs to some more bespoke leadership programmes run through our outstanding network of partners.

We take staff wellbeing seriously and pride ourselves on a family friendly approach across our schools. The best resource we can provide for pupils is highly skilled, happy and fulfilled staff.

We are looking for an individual who shares the same vision and values – if you believe that you have the skills, drive and vision to help us achieve our aims we would be delighted to receive your application.

LORRAINE HEATH, OBE
CHIEF EXECUTIVE OFFICER

Welcome to Orchard Grove Primary School – on 6 September 2023, Orchard Grove opened its doors for the first time to its original Reception cohort and now it is the thriving setting for year groups Reception, 1 and 2, as well as a Nursery for children aged 2-4. The school will grow organically, one year group at a time, until it reaches capacity. Orchard Grove is the first carbon neutral school in the south-west of England and being a sustainable, forward thinking, community-based school is at the heart of everything we do.

Orchard Grove is based on the Orchard Grove development and children have the added advantage of the school being part of the Blackdown Education Partnership. For more information on the Trust, please visit: [Blackdown Education Partnership - BEP](#).

A Special Place

We strive to ensure that every single child in our care benefits from our three values: Every child belongs; Every child participates; Every child achieves. We pride ourselves on early identification of barriers to learning so we can work hard to remove them, or adapt to them, and ensure that every child can progress socially, emotionally and academically alongside their peers. It is important to us that every child is excited to attend school, engaged in the opportunities provided to them and with a thirst for bettering themselves, It is equally important that children leave each day feeling successful and with a sense of achievement.

Building strong relationships and knowing our children and families well is essential to the work that we do. We place strong significance on the partnership and triangulation between the child, the family and the school and we know that when all three are aligned it provides excellent foundations for every child to thrive in school and out in their community.

BELIEF IN EVERY CHILD

Early Years provision forms the bedrock of our children's strong education and personal development. Children leave the EYFS with a sense of themselves as both individuals, and as part of their own community, taking this with them into Key Stage 1.

Kindling interest and igniting the sparks of enthusiasm and engagement is the key to engendering real learning. Securing children's commitment to their own learning is a vital part of our vision and comes through our curriculum. One that is astutely designed, deep-rooted in knowledge and skills development, purposefully sequenced to build upon prior learning, adapted to meet the needs of all learners, and delivered through high-quality and consistent, evidence-informed pedagogical approaches.

Why Orchard Grove?

We place strong emphasis on English and mathematics because achieving in these areas are crucial to the life chances of all pupils, however this is not to the detriment of the rest of the curriculum. We champion and provide extensive learning opportunities within science, the arts, humanities and sport. At Orchard Grove there is a strong emphasis on developing competency and mastery of foundational skills in English and Mathematics, as well as personal development through PSHE and citizenship. We achieve this through carefully planned learning environments, by placing an emphasis on the strength of high-quality interactions between staff and children, and through specific and sustained CPD opportunities which are linked to our collective priority areas.

Evidence shows that around 85% of the future careers for this current generation will be strongly embedded in STEM (Science, Technology, Engineering and Mathematics) fields. We prioritise that through our curriculum so that our children will be strongly equipped for their future. Not only to make positive impact and change within the communities they are growing up in, but also to confidently safeguard themselves and others. Alongside developing learners for the future, there are also important, more traditional expectations that we hold true:

- Safeguarding is the responsibility of EVERYONE at Orchard Grove and our routines, policy, training and practice ensures this.
- All children reading every day from real books, physically turning the pages, getting lost in the adventures. Every class has reading lessons and whole class reading time every day. Every child is expected to read for 10 minutes at home each day, to/ with an adult.
- Strong attendance, because showing up and working hard matters. 97%+ attendance is our whole school and individual pupil targets, and we work closely with all families to strive to achieve this.
- Kindness, respect and tolerance being key to the positive behaviour demonstrated by everyone throughout the school community.
- Hands on learning, and seizing opportunities to learn outdoors.
- Handwriting, presentation and taking care in everything we do, from letter formation to cursive handwriting, right through to taking pride in how we wear our school uniform.

If the above information has intrigued and excited you in equal measure and you would like to take a look at Orchard Grove for yourself then we recommend joining us for a tour. We are setting up school tour sessions in the coming weeks that we hope you will be able to attend:

- 16:15 on Friday 6th February
- 17:15 on Wednesday 11th February
- 16:45 on Tuesday 24th February
