The governors of Oxon CE Primary School are seeking to appoint an inspiring, highly effective, enthusiastic and committed headteacher. Our school is located on the western side of the county town of Shrewsbury. Oxon is a Voluntary Controlled Church of England Primary School which has close links with Oxon Parish Church.

This vacancy arises from the retirement of our current headteacher who has very successfully led the school for the last twenty-five years. The governors recognise that this is a significant point of transition for our school. The governing body is therefore looking for a candidate who will build on our current strengths and lead us successfully through the coming years. If you feel that you may be that person, we strongly encourage you to visit school and submit an application.

We are looking for a headteacher who will have:

- Recent, successful experience of primary school leadership at a senior level.
- A passion to articulate, support and develop our school vision of 'Life in all its fullness'.
- A commitment to support and develop the Christian ethos of our school.
- The skills and ability to deliver highly effective strategic leadership.
- Highly effective skills in school self-review.
- A passion to see all children reach their full potential regardless of ability.
- The skills and abilities to nurture, inspire and challenge our children.
- Excellent interpersonal and communication skills.
- A desire to work collaboratively with the whole school community to build effectively upon the school's current strengths.

We can offer you:

- A welcoming, friendly and happy environment.
- A committed and effective staff, including a strong senior leadership team.
- Dedicated and supportive governors.
- Children who understand the school vision of 'Life in all its fullness' and, as a result, are enthusiastic to learn and grow.
- The opportunity to lead this thriving school into the next stage of its educational journey.

Key information and dates:

- Visits to the school are actively encouraged and can be arranged by e-mailing or telephoning the school office.
 - Telephone: 01743 351948
