Dear Prospective Applicant,

Thank you for your interest in becoming the next Headteacher of Plymouth Grove Primary School. This is an exciting opportunity to lead a diverse, ambitious and inclusive school community with a strong commitment to excellence, equity and the achievement of every child.

Plymouth Grove Primary School is a vibrant and welcoming school at the heart of Manchester. Our pupils are enthusiastic, resilient and eager to learn, and visitors regularly comment on the warm relationships, positive atmosphere and strong sense of belonging that characterise our school. We are proud of our Rights Respecting inclusive ethos and our unwavering belief that every child, regardless of background or circumstance, can succeed and flourish.

Our dedicated staff team is committed to providing high-quality teaching, nurturing pastoral care and a broad, inspiring curriculum that develops confident learners and responsible citizens. We are passionate about ensuring that children leave Plymouth Grove with the knowledge, skills and values they need to thrive in the next stage of their education and beyond.

As a Rights Respecting School, we place children's rights, wellbeing and pupil voice at the centre of our work. We value diversity, celebrate our rich multicultural community and strive to create an environment where every child feels safe, respected and valued. Through strong partnerships with families, governors and the wider community, we seek to provide opportunities that broaden horizons and raise aspirations.

This is a role for a leader who can inspire others through a clear vision, strong moral purpose and a relentless focus on improving outcomes for all pupils. We are seeking an individual with a proven track record of strategic leadership, a commitment to inclusion and safeguarding, and the ability to build strong relationships within our school community.
