## **Headteacher Vacancy**

Dear Applicant,

Thank you for showing an interest in the position of Head Teacher at Redbridge High School.

Our much respected Headteacher has retired and we are looking to recruit a person who is able to combine excellent empathy and team development skills with keen management, efficiency and high standards.

We are a large secondary special school in the inner city area of Fazakerley sited in a new purpose built building which is a bright, airy and well equipped place to work.

Our community is very diverse: academically, socially and culturally and it is this diversity which makes it such a special place to work. You will be driven by a desire to serve our community and young people; our vision and values underpin everything we do. Our vision is 'Success For All' and ensuring this vision is realised is what drives us and we are determined to do so.

Our school offers a broad, balanced and fun specialist curriculum and our pupils are happy, safe and valued for themselves. At Redbridge High School we work tirelessly to secure the highest possible outcomes for our pupils and support them as they grow as individuals. Pupils are self motivated to do well and behaviour standards are very good, based on mutual respect.

Our staff work collaboratively as a genuinely open and honest team and our Governors are fully engaged and understand the difference between supportive and interfering.

If you feel that your values and ambitions align with ours and you believe that you can support us to create a happy and safe place for learning together and achieve our ambitious objectives, we would very much welcome the opportunity for you to come and meet with us.
