We are determined to provide an Outstanding provision for the pupils of Redbridge High School: do you have the vision, tenacity and commitment to lead the school into the future?

Redbridge High School is a large secondary school in Fazakerley maintained by Liverpool City Council LA. A small percentage of our pupils have PMLD and a significant percentage have Autism in addition to Severe Learning Difficulties.

The school was graded Outstanding in 2019. We have a diverse pupil population and each pupil is motivated to achieve their full potential at their own pace over time. Pupils are supported by a skilled and committed staff team who strive to deliver our Mission Statement of 'Enjoy and Achieve'.

Staff work flexibly and creatively within a team ethos and contribute to the many creative and evolving approaches to enable pupils to excel as individuals.

Due to the retirement of our highly respected Head Teacher who has successfully led the school over the last 16 years we are seeking a suitably qualified and experienced leader to continue to drive the school forward.

The successful candidate will:

- Be able to inspire and lead colleagues in our committed team of staff and support a positive culture of improvement.
- Articulate a vision and demonstrate strategic leadership to evidence the quality of provision.
- Ensure outcomes for pupils are central to all that we do.
- Have experience of leadership in a school at Assistant Head, Deputy Headteacher or Head Teacher level.
- Be competent in achieving the Head Teacher Standards.

In return we can offer:

- An inspiring yet challenging environment.
- A committed and supportive leadership team.
- A Governing Body committed to the professional development and well being of the Headteacher and all the staff team.
- A local and regional network of partnership schools.

Redbridge High School is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults. We follow safer recruitment practices to protect children. The aim of these practices is to ensure that anyone paid or voluntary who seeks to work in this school is safe to do so. Such posts will require a DBS disclosure check and references will be taken up prior to interview.
