'Free to Flourish' Acting Headteacher: Mr L. Noon

Dear Future Headteacher,

I am writing to tell you all about our amazing school, Roe Lee Park Primary School.

We are a large primary school in Blackburn with lots of well-behaved, hardworking children, amazing teachers and we work hard together to learn. We are 'Free to Flourish.'

We have many facilities such as a library, an ICT suite, colourful classrooms and a large field for us to play on.

We celebrate our achievements every Friday, where one child from each class is awarded the Golden Jumper for their hard work. We are also given P.E awards, speaker of the week, attendance awards and team points.

We are looking for many things in our future headteacher:

- hardworking
- kind
