Catholic Headteachers are expected to meet the teachers' standards and be responsible for providing the conditions in which teachers can fulfil them.

Both within and outside school, Catholic Headteachers:

- build relationships of mutual respect rooted in the belief that all are made in the image and likeness of God² and at all times observe proper boundaries appropriate to their professional position

- ensure that personal beliefs are not expressed in ways which exploit their position, pupils' vulnerability or might lead pupils to break the law, but are always orientated to the service of others in light of the Gospel.

Headteacher Person Specification

Introduction

Sacred Heart Catholic Primary School is a Voluntary Academy with a strong religious character. Their instrument of Government states that they are part of the Catholic Church and are to be conducted as Catholic schools in accordance with Canon Law, the teachings of the Roman Catholic Church and the Trust Deed of the Diocese of Leeds. At all times the school is to serve as a witness to the Catholic Faith in Our Lord Jesus Christ.

This person specification is intended to assist both candidates and governors in the appointment process. It highlights the particular qualities for Headteachers of Catholic schools in ensuring that they meet the same expectations of Headteachers of all schools while serving the mission of the Church in education.

The core purpose of the headteacher of any school is to provide professional leadership and management. In our Catholic school, that professional leadership is provided in the context of a community rooted in the Catholic faith. Thus it is an essential requirement that applicants have a deep rooted, strong, personal faith and recognise the opportunities and challenges facing Catholic education as a vibrant part of the mission of the Church in education.

The governing body and the Diocese acknowledge the importance of the role of the Catholic headteacher and will actively offer long term support, encouragement, affirmation and realistic challenge to the successful candidate.

The governing body acknowledges that the criteria reflect the evolving role of headship in the early 21st Century and that they apply as much to experienced Headteachers as they do to aspirant Headteachers. The successful candidate will be encouraged to participate in the diocesan induction programme and will be offered an appropriate and experienced Catholic headteacher as mentor. If the successful applicant has not completed the CCRS course in Catholic Education or equivalent, an undertaking to successfully complete the course may be expected.

What is the objective definition of a 'practising Catholic' for appointments to key posts in Catholic Schools?

To objectively define what a 'practising Catholic' is when assessing applicants for key leadership posts within a Catholic school, it is necessary to understand that there are general obligations as well as essential components that constitute 'practice' of the faith in the teaching of the Catholic Church.

The Church's general obligations for its members require that they strive to live lives of holiness by being faithful to the teaching of the Gospel, by trying to uphold the values proclaimed in the Beatitudes, by assisting in the Church's mission to make Christ known to all peoples, by upholding privately and publicly the Church's moral and social teaching, by endeavouring to follow an informed conscience and by making every effort to keep the precepts of the Church. This is the 'practice' of the Catholic faith in its widest and all-encompassing sense. At the heart of these general obligations though, there are essential components for "full communion" with the Catholic Church. These are sacramental initiation (Baptism, Confirmation and the Eucharist) and the bonds of profession of faith, the sacraments and ecclesiastical governance. The preservation of this full communion is not limited to purely religious activity but is to be an integral part of the whole pattern of behaviour of a member of the Church. It is what essentially constitutes being a committed and 'practising Catholic'.
