Headteacher: Mrs A Barker
B Ed Hons, N.P.Q.H.

Dear Future Headteacher,

We would like to tell you about our school... First of all, our school pupils are good at giving warm welcomes and making people feel settled as fast as possible.

As our future headteacher, we would like you to carry on some of our traditions. For example, our school discos and our raffles, oh and one of our favourites... the Summer Fair!

When you are a part of St Andrew's Methodist Primary School we are one big family and together as one with God.

We would love our new headteacher to be kind, confident and proud like our current headteacher, Mrs Barker.

If you need any help with things you can always ask our wonderful teachers, as you can probably guess, they can give the best advice.

We are looking forward to see you after Easter!

From

St Andrew's Pupils
