

HEADTEACHER INFORMATION PACK

How far will YOU fly?

St. Chad's CE Primary School

Our School – St Chads CE Primary School

SCHOOL VISION

The Lord is my Shepherd; I shall not want...' Psalm 23. With this belief in our hearts, we aim to develop well-rounded members of society who give service willingly; who flourish personally and therefore have a positive impact both socially and morally on the wider world.

SCHOOL MISSION STATEMENT

We develop **resilient** and **resourceful** children who become **responsible** and **respectful** of themselves and their learning environment through **compassion**, **service** and **excellence**.

Our most recent OFSTED inspection in March 2019 states that the school continues to be 'good'.

We also received a Diocesan SIAMS inspection in March 2017 and were awarded an overall grade of Outstanding and commented that "This is a happy and nurturing school. Pupils, staff, and parents and carers told us that the school is like a family. Pupils achieve well."

As CEO of Forward As One, I am looking forward extending a warm welcome to the successful candidate We are excited about working in partnership with the new Headteacher to build a strong future together.

Resilience: We try harder when things get difficult

Responsibility: We are in control of our own actions - for ourselves and towards the world around us

Resourcefulness: We have the ability to find ways to overcome difficulties

DRIVERS

Excellence: Striving for 100% in everything we do, demonstrated through hard work and determination and the ability to impact the world around us.

Compassion: Like the Good Samaritan, we understand the needs of others and show care in our actions

Service: As in Psalm 23, we guide and provide for each other willingly for the improvement of community

Our Community

The children of St Chad's CE Primary School have close links with St. Chad's Church in Uppermill.

We regularly visit for Eucharist services, Harvest, Christmas and Leavers Blessings.

ST CHAD'S TOGETHER

The 'St Chad's Together' group is a charity group that volunteer their time and efforts to support school. They work hard to plan and organise fund raising opportunities for school. This allows us to supplement the whole school development plans and give the children of our community all the opportunities they deserve.
