About us

Welcome to St Clare's Catholic Primary School. St Clare's is a happy and vibrant school. We are a caring Catholic community and offer a welcoming environment where the uniqueness of each child is valued and celebrated. Christ is at the centre of our school. Our school philosophy is outlined in our Mission Statement. It reflects our commitment to Catholic education in a happy, supportive and inclusive environment. Our school motto, 'Play, learn and grow together with Christ' encapsulates our school mission.

Our St Clare's values are taught through the curriculum and assemblies and are demonstrated through our relationships, where all show care and respect for members of our school family. At St Clare's Catholic Primary School, we work as a team. Parents, staff, governors, and St Clare's parish community are all involved in the education of our children. We believe that a genuine home, school and parish partnership is essential for children to thrive.

Our children love their school and thrive on the ambitious and carefully sequenced curriculum we have in place. We believe in providing a first-class education for all pupils. We know that in order to achieve this, our children need to be happy, safe and inspired to learn during their time with us. Experienced and dedicated staff ensure that all our children benefit from a curriculum that is adapted to their individual needs. We are fortunate to have extensive school grounds, which we utilise for forest school sessions, sport, drama, gardening and outdoor learning.

Our school values show that it is our vision for every child to show kindness and respect to each other. We shape our children to have a passion for learning and to make a difference in the world. We inspire children and open doors to ambition and possibilities; striving for and achieving excellence.

As the headteacher you will be the leading professional in the school, accountable to the local governing body. You will provide vision, leadership and direction for the school and ensure that it is managed and organised to meet its aims and targets. You will be responsible for evaluating the school's performance to identify the priorities for continuous improvement and, working with others, continue to raise standards. In this way you will; ensure equality of opportunity for all; develop policies and practices; ensure that resources are efficiently and effectively used to achieve the school's aims and objectives and for the day-to-day management, organisation and administration of the school.

As headteacher, working with and through others, you will secure the commitment of the wider community to our school by developing and maintaining effective partnerships with, for example, within our CMAT schools, other services and agencies for children, parishes, and the Diocese. Through such partnerships and other activities, as headteacher you will play a key role in contributing to the development of the education system as a whole and collaborate with others to raise standards locally.
