

Would you like to be our new head teacher?

We are writing to tell you about our amazing school and what we would want our new head teacher to be like!

Firstly, we would like our head teacher to be loving, caring, Fantastic and approachable. We think it's very important to talk and listen to children, staff and families and make everyone feel welcome we would love someone who is always positive.

As a catholic school we would like someone who takes care with our gospel values and our faith. We want someone who will encourage us to follow in Jesus's footsteps by showing love, kindness and respect.

There are so many things that make St Joseph's special like, staff and children. Our school is like a family to everyone here especially you. We celebrate each others achievements and we'd love you to celebrate too.

We hope you will choose to join our family as soon as possible. We would be very happy to show you around our school.

Yours faithfully,
Eagles class.
