Oxford Diocesan Schools Trust

Headteacher Vacancy – St Luke's Church of England School

Dear Candidate,

Thank you very much for your interest in the role of Headteacher at St Luke's Church of England School within the Oxford Diocesan Schools Trust (ODST). This is an important role within a school that is very dear to us, and we are looking for an exceptional person to take on the role of Headteacher.

Our vision at St Luke's is to provide all our pupils with opportunities to shine, develop and flourish ('Living life in all its Fullness, John 10:10b) and this is supported by our driving ethos: to "Cherish, Challenge, Aspire and Achieve".

- **Cherish-** We want our children to be happy and enjoy creating rich memories at St. Luke's through empathy and encouragement. The children are put at the centre of their own learning, and we place great emphasis on pupil voice, as well as nurturing skills and attitudes such as resourcefulness, resilience and co-operation.
- **Challenge-** We want our children to be happy and confident to take risks with their learning and they are encouraged to strive for excellence, not just success.
- **Aspire-** We encourage children and staff to aspire to do their best in all areas of school life (as we all have the capacity to surprise ourselves with our achievements) and this lays down strong foundations for the rest of our lives.
- **Achieve-** We value each child as an individual with different talents and needs. Pupils have an active voice in school allowing them to play an important role in developing it with older children helping and taking on wider leadership roles across the school.

In March 2015, we became a member of ODST- a large family of mainly primary schools operating within Oxfordshire and Berkshire. Being part of ODST has allowed us to preserve the uniqueness of St Luke's and its place in the local community, whilst enabling us to benefit from being part of a well-established MAT with the support and opportunities that brings, and the chance to contribute to, and learn from, other member schools ('A Common Vision for the Common Good').

Since joining ODST we have expanded to incorporate nursery provision, and we are of course proud of the external recognition the school has achieved in that time, but we are also cognisant that we are on a journey and it is those opportunities for our pupils to shine, develop and flourish that will be the true- if not always quantifiable – measure of success for us.

If appointed to the role of Headteacher at St Luke's, you would be empowered to work with your Local Governing Body to make the decisions you believe to be right for your pupils and our community. You would also be able to collaborate- and where appropriate, be challenged- by colleagues who care passionately about seeing children thrive and who will support you and your team to develop yourself and those around you, and we will want no doubt in due course want to draw on your strengths to support the development of others.

We look forward to receiving your application.

**Anne Dellar, Chief Executive Officer and Rhidian Jones, Chair of Governors**

## St Luke's Church of England School

*'Living Life in all its Fullness'- John 10.10b- an opportunity to shine and grow.*

### Our School- some feedback from our most recent parent and family survey

- *The nursery is fantastic, the staff are great and my child loves going.*
- *The level of teaching is not just taught verbally but through lots of other ways which is a great way for the children to make progress especially for children who learn through play and practical ways.*
- *My child is treated as an individual, not just part of a class unit. All staff listen to any concerns I may have, and the school are always quick to implement measures to help/support where needed.*
- *All learning activities are very creative and engaging. It seems to be a very nurturing environment.*
- *I like how it has a real community feel and the teachers are all approachable.*
- *All the afterschool clubs have range of activities especially cooking and baking. Teachers are very friendly and have good understanding of child mindset and behaviours. They really enjoy in the school.*

## Our Next Headteacher...

We are looking for a headteacher who will continue to enable all to flourish and achieve. You will:

- Lead the school with enthusiasm, compassion, kindness and understanding,
- Strive for the very best for every pupil and member of staff,
- Embody and promote our church school vision, values and ethos,
- Work effectively with parents/carers and the wider school community,
- Continue to develop the excellent, inclusive provision that is place for every pupil.

In return we can offer you:

- Pupils who are enjoy being at school, and who are engaged in their learning, behave well and show love for each other,
- A strong, adaptable staff team who are committed to working together and supporting each other for the benefit of our children,
- An effective Local Governing Body, able to support and carry out their strategic responsibilities to the school,
- Support, and challenge, from the wider family of ODSST,
- Strong links with the local secondary school, and a group of other local headteachers of primary schools.

## Why ODST?

The Oxford Diocesan Schools Trust (ODST) is the largest Multi-Academy Trust (MAT) in Oxfordshire and is in the top 1% for size, based on number of schools, of MATs in England. It was founded in 2012, originally with 3 sponsored and 2 convertor schools.

ODST currently consists of 43 schools across Oxfordshire, the Royal Borough of Windsor and Maidenhead, and Reading and has significant primary expertise and capability, with all our schools covering at least some part of the Primary phase.

## Our Vision

ODST is committed to delivering an excellent education which meets the needs of all learners. We are proud of our track record of delivering improvements in schools experiencing challenge, and in supporting our strong schools to continue to develop and be in a position to share their expertise with others. ODST's vision for education centres on our sense of a community which works for the common good. The Trust's key values are identified as:

**Inclusivity:** Our schools embrace equality of opportunity and a wholly inclusive approach to education. We believe every person matters.

**Empowerment:** A fully functioning community is one where each person knows their own value and potential. Our job as educators is to enable that potential to flourish; to create a culture where children can be nurtured to be the best they can be. We believe this is best done by empowering each other to contribute the best we have to give.

**Community:** Communities are important and flourish best when relationships are strong. We believe our schools and the people in them are a vital part of many different communities, all of which can be enriched as we work together.

**Abundant Living:** We want our schools to be places where children are loved, nurtured and learn to live well. We believe all people should be enabled to fulfil their whole potential, not just professionally and academically, but also creatively, morally and spiritually.

**Service:** Our schools are outward-facing communities where we all learn to serve others and contribute to the common good.

Each ODST school maintains delegated authority to make local decisions as we recognise that each is unique and can only meet the needs of its local community if that remains the case.

## School Improvement Support

ODST has a very strong package of support, development and challenge for its school leaders and governors.

As part of our planned school improvement support across the Trust, our SI team and school leaders engage in a discussions regarding where the school's performance is currently in terms of pupil outcomes, quality of teaching and learning, and leadership. Our Local Governing Bodies (LGBs) are also part of this process and the subsequent monitoring.

The agreed work pattern for schools in the Trust consists of not fewer than six regular visits to each of our schools.

## Continuing professional development (CPD)

ODST is very proud of the level of professional development offered to our staff, and believe we offer an excellent support package for staff at all levels in our organisation, to enable them to fulfil their potential, and thereby support children's learning in the best way. This includes:

- **Headteacher & Senior Leaders:** Access to termly Headteacher conferences; termly leadership briefings that include school improvement; the opportunity to work and share with a local hub of ODST schools that contains a significant number of existing partnership schools;
- **Governors:** Termly leadership briefings and specific governor training arranged through either ODST or a sister organisation;
- **Teachers:** We have a well-developed series of network meetings held regularly in the Trust (e.g. for early years leads, for maths leads, for RE leads etc) led by a range of subject experts. This is provided as part of our SLA with the schools and also includes a cycle of moderation for mathematics and English;
- **Administrative staff:** Termly business manager meetings provide the opportunity for training and development and the sharing of knowledge and new procedures across the Trust.

## Central team support

The central ODST staff team is based in our office in Wantage with a remote office in central Oxford comprising a finance team, an HR team, school improvement team and operational management team, as well as administrators and the CEO. We work closely together and with ODBE staff who provide all our capital bid and project management services on a contractual basis and additional pastoral support. School support, for each professional area, is not limited in any way so that we can ensure each school can access the support it needs when it needs it.
