'Enriching lives every day'

# Welcome from The Chief Executive Officer

Thank you for taking an interest in applying for the headteacher role at St Michael's Academy, this really is an exciting and rare opportunity As you can see from the information provided, it is a school at the heart of its community. The school is clear of its strengths and areas for development and is constantly developing, so its outstanding label is not something that should deter any applicant.

St Michael's is a wonderfully diverse community, keen to warmly welcome a new headteacher. For experienced senior leader, the role presents a chance to engage in diversifying the current curriculum and extending the great practice in the school, to be even better.

There is a wealth of support and expertise available throughout the Trust, so you can be assured that you and your team will always have the help and support that you need. We want all our children to be successful, with everyone enabling every school to be awesome places of learning for both pupils and staff. It's no easy task but if we all bring our gifts and talents to the table and work in true collaboration, we will and do flourish.

If you are a passionate practitioner, keen to challenge yourself in the next phase of your career and dedicated to serving this city centre community, then please do get in touch.

I wish you the best of luck in your leadership journey and who knows, I may well see you at interview.

# **About St Michael's**

St Michael's is a diverse, two form entry Church of England Primary School, in Heavitree, a vibrant and wonderful community, just south of the City Centre in Exeter, Devon. The school puts significant emphasis on the personal development, wellbeing and pastoral support of its' children and families.

With a capacity of **420** pupils, the school accommodates pupils aged **4-11** years. There is a separately run pre school on site. The staff know all the children well and can make sure they do their best to develop their learning in a happy, safe, secure and rights-respecting environment. It is a friendly and welcoming school in the heart of the area, with an outstanding approach to learning, vision and values.

The pupils come from a range of backgrounds and 11% of the current number on roll, are PPG eligible. 12% of pupils are on the SEND register and 30% of those pupils have an Education, Health and Care Plan. The school has a number of specialist staff, including Teaching Assistants and a Family Support Worker. The school was judged 'outstanding' in both its **OFSTED** inspection in July 2015 and the last SIAMS inspection, in June 2016.

The school is now looking for a substantive headteacher to continue to drive the curriculum experience forward and build on the positive culture and many excellent strengths. The appointed Headteacher will need to lead the school's vision, curriculum and committed staff team, maintaining the highest aspiration and expectation of the children, with the full support of Governors and Trust leaders.

#### **Intentional and Implemented Learning**

St Michael's pupils achieve good standards of learning at Early Years, Key Stage 1 and Key Stage 2, in line with primary schools nationally. The school has wonderful grounds and resources, such as a large Forest School area, a play gym and many specific learning zones, both in the building and playground. Leaders and their teams are ambitious in creating purposeful learning areas. For example, a Yurt is currently planned for September 2022 and the school has a new sensory garden.

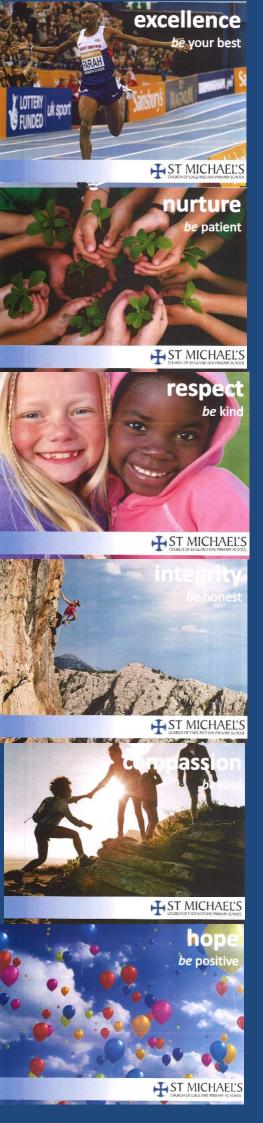

The school also embraces the Arts and has a dedicated Music Room. In assemblies. pupils know that 'when we sing our hearts beat at the same time' and the school is proud to have a display board updated every year, with every child's statement about what belonging at St Michael's, means to them.

The school seeks to develop pupils' understanding and respect for themselves and the wider world, through a broad and balanced curriculum. The school uses the facilities in the local community as much as possible, to enrich children's learning experiences and is fortunate to be located near to Heavitree Park. There are strong links to St Michael's church and with the Parent Teacher Association, who support community occasions and fundraising.

The staff team work hard to deliver outstanding learning opportunities. including residential trips, participation in competitive sports and a range of after school clubs. At St Michael's, a rich web of learning is what provides the capacity for pupils to learn even more and develop their understanding. The learning approach is implemented through a mission statement related to breadth, balance and progression.
