A message from York Diocese:

St Peter's Church of England School is one of two church schools in the Trust and is part of the Diocese of York.

The Education team aims to:

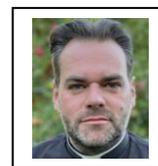

- Be available as a 'one-stop shop' for pastoral and professional support;
- Work with a range of agencies to promote school improvement;
- Promote excellence and Christian distinctiveness;
- Provide and facilitate professional development and governor training;
- Help schools and academies network, collaborate together and share best practice;
- Offer a Total Property Management scheme in association with DBE Services Ltd;

The Rt Revd Barry Hill, Bishop of Whitby and Chair of the Diocesan Board of Education, said:

“Supporting children and young people to be all they are called to be is at the heart of who we are as the Diocese of York.

Together with the Church of England as a whole, it is a vision for education which is deeply Christian, with Jesus' promise of 'life in all its fullness' at its heart, and as such is for the common good of the whole community. It is a holistic vision, where education, like the faith in which it is rooted, is about wisdom, knowledge and skills, but also about hope and aspiration, about how we live well together in community with dignity and respect for all.

Of course, a vision this encompassing is only possible by working in partnership, both between teachers, staff, trusts and governors, and in developing ever closer links between schools, churches and households. By working closely together we can achieve far more than apart. I am delighted that you are considering applying to be a Headteacher in the Diocese and know that, if appointed, you will join the diocesan family of schools dedicated to supporting you as you lead deeper into this vision so that together all our schools and communities can be places where the love of God is reflected through all we are.”

Mari Palmer, Diocesan Director of Education, said:

”As a diocese, we are here to help celebrate and strengthen the Christian ethos in our schools. We understand that each school is unique and our aim is to get to know our schools on an individual basis in order to foster the local parish and community links as far as possible.

As such, our Education Team offers a range of support to our headteachers from both a school distinctiveness and effectiveness point of view, as well as providing a range of training and development opportunities for staff and governors to access over the course of each year. In a rapidly changing educational landscape, we are more and more involved in wider school development, particularly as schools change from one school status to another.

I do hope that you feel able to apply for the position and we would look forward to welcoming you as part of our diocesan family here in the Diocese of York”.
