

In Christ: be healthy, be happy, be helpful, believe.

Astley St Stephen's CE Primary School
Manchester Road
Astley
Tyldesley
M29 7BT

Dear Future Headteacher,

Our School is welcoming and inclusive to all. As Mrs Southern is about to leave, we would like someone like her, who is fun and cares for everybody around them.

We would love a headteacher who is a good role model and helpful. We want someone who is kind and caring. If somebody hasn't had a good day, we want a headteacher who would take some of their time to smile at them and see if they're ok.

Our school is very active, so we would love someone who does not mind joining in with fun activities. We would love to see you on the playground having fun with us! We have lots going on, including: football, art, dancing and music – do you have any fun hobbies like this? At St Stephen's, we understand everyone is unique and we love being able to celebrate our achievements outside of school; we want a headteacher who will respect us for who we are.

As this is quite a big role we need someone who has some teaching experience! We love our school as it is, so please make respective and supportive changes that would impact us all in good ways. If you listen to our ideas, we can help you.

Most of all, we want someone loving, who will love us and our school. We have put a word cloud of what we would love from a headteacher over the page.

Yours Sincerely,

All the Children of St Stephen's

In Christ: be healthy, be happy, be helpful, believe.
