

Dear Applicant

**HEADTEACHER, TEIGNMOUTH COMMUNITY SCHOOL, MILL LANE**

Thank you for considering the role of Headteacher at Teignmouth Community School, Mill Lane. Our school strives to support the success and wellbeing of its more than 270 students and to be at the heart of our local community here in Teignmouth.

The school is equipped with everything that could be expected of a modern primary school to support an enriched curriculum, including excellent outdoor learning facilities and a well-equipped nursery provision for early years. As well as the on-site facilities, the school make extensive use of resources outside of the school gates; from collaboration with schools in the Osprey Learning Trust and local community organisations, to making use of the natural resources on our doorstep from the coastline to Dartmoor; providing the children with a range of experiences they will never forget.

It is important that the children from 2 to 11 come to school feeling safe, welcomed, and cared-for, and whatever their background or educational needs they leave the school inspired and empowered to achieve to the best of their abilities and ambition. This is exemplified by the school values which are built around: resilience, independence, curiosity, respect, honesty and responsibility.

The staff are experienced, committed and engaged, with a strong legacy for providing a nurturing, encouraging and aspirational learning environment for all. The continuing professional development of staff is valued and strongly supported. During recent challenging times the staffing body have really demonstrated their ability to support each other and work effectively as one team, and the importance of staff and student wellbeing has never been in sharper focus. If you believe you have the right qualities, experience and passion to provide leadership to develop our school further for the benefit of the children and families it serves, we'd be delighted to receive your application.
