# Welcome from the CEO

Dear applicant,

Thank you for your interest in working at the heart of Nova Education Trust. I hope that you will find this pack useful and informative in helping you to complete your application.

Since 2011, Nova Education Trust has successfully supported schools of all phases to secure improved educational standards.

Over the last two years, our organisation has undergone a significant transformation and is unrecognisable culturally, educationally, financially and in governance terms from the organisation it was pre-2021.

Educationally, we go from strength to strength. 87% of our academies are now judged by Ofsted as Good or Outstanding, compared to 47% that weren't when they joined us. Nova's MAT performance for Progress 8 and 5+ EM across all of the schools is currently ranked as one of the highest in the region. This is testament to our brilliant pupils, staff and the communities that we serve.

Our trust support and governance is strong and has been externally recognised as amongst the best in the sector, and our organisation is financially stable.

We understand and we believe that schools belong to their communities — the mission is the same, but the vision may look different in our range of contexts and settings. We are psychologically committed to our vision, values, ambitions and principles, and we are determined to achieve our mission of creating transformational schools.

We are looking for a talented and inspirational leader who is committed to transforming lives, with the imagination, passion and experience to support and challenge us to even greater things in the service of our young people.

Nova Education Trust is an organisation that trusts and empowers its staff, puts your well-being first and provides opportunities for your voice to be heard. Further information can be found at **novaeducationtrust.net/careers**.

We look forward to receiving your application.

# **Newark Academy**

#### **Ethos**

Newark Academy has a very clear ethos focused on the achievement and well-being of our students.

We believe that a school should be at the very heart of the community and place high value on collaboration, partnership and service alongside a range of core values that compliment academic success.

Our GREAT core values permeate through everything that we do at Newark Academy and through both explicit strategy and implicit activity where all academy community members regularly reflect on them. We invest time to teach our students about these values and the importance of their reflections against them.

Our GREAT values are:

We encourage staff to be creative, independent and ambitious. We expect them to challenge and inspire our students, providing them with the motivation and support necessary to achieve their full potential.

#### To summarise:

- We have high expectations of students and staff
- We believe every student can succeed
- We ensure barriers to learning are challenged and overcome
- We expect teaching to be well-planned, varied and stimulating
- We expect learning to be active, focused, social and engaging

#### Curriculum

Our curriculum follows National Curriculum guidelines and aims to provide a broad and balanced learning experience for all.

At Key Stage 3, our newly redeveloped programme covers all National Curriculum subjects. Students are taught in ability groups in the majority of subjects and these are regularly evaluated to ensure students are able to make rapid rates of progress throughout their time at the academy.

During our Key Stage 4 programme, all students study the English Baccalaureate core subjects of English, Mathematics, Science and a humanities subject such as Geography, History or Modern Foreign Languages.

A wide range of option subjects including visual and performing arts, technology, sports and computing courses supplement the core curriculum. We expect all our students to achieve their full potential in all their chosen qualifications and work hard to support them to do so.

#### Extra-curricular

Extra-curricular opportunities are an essential part of providing a balanced and exciting range of experiences in school. At Newark Academy, our after-school enrichment programme provides students with an impressive range of courses and sessions across the week.

Opportunities include photography club, science, journalism, canoeing, debating, performing arts and a comprehensive range of sporting activities including football, cricket, netball, rugby, basketball, tennis and athletics are also available. Newark Academy students regularly compete at county level and our sports teams have a strong tradition of success.

#### **Student Voice**

Student voice is active within the school with each year group choosing student representatives that meet through our student council.

Students are involved in all aspects of school life and contribute to the interview process for new staff and assist at school open evenings and events. They have also delivered feedback to staff on aspects of teaching and learning, such as marking.
