Success for All Educational Trust

As the Executive Headteacher of the Success for All Educational Trust, I have overall responsibility to the Department of Education for standards and outcomes.

I have been a teacher since September 1986 and January 2009 I became Headteacher of Redden Court School until recently when as a result of the success of Redden Court School I was invited to form the Trust by the DfE in 2017.

I insisted that the name of the Trust should reflect the overall vision of the Trust in that all stakeholders should be given the opportunity to be successful as part of our provision and offer.

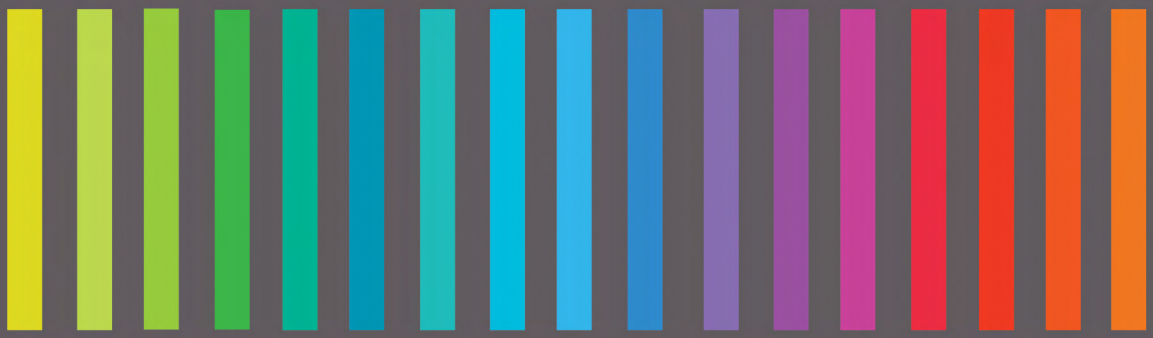
As a Trust, within our family of schools we aim to:

- Develop aspirational and high achieving schools who will work with stakeholders to secure better futures for our students.
- Provide outstanding education for all of the students in our schools to best serve our communities.
- To have inclusivity is at the heart of all we do.
- To focus on the development of resilient, aspirational, independent learners who strive to achieve the highest possible levels of personal success.
- To have schools that will collaborate in a strong and resilient, self-improving structure informed by best practice to provide the best outcomes for students and create local solutions.
- To be recognised as a Trust where schools strive to provide the best possible education for our students and where staff are keen to develop their vocation.

Our schools are strongly encouraged to maintain their own individual identity but within a framework of consistency and collaboration. At all of our schools your child will be given every opportunity to develop into the very best they can be.

Paul Ward
Executive Headteacher Secondary Schools, Trust CEO

PRIMARY WING



SUCCESS FOR ALL

EDUCATIONAL TRUST

I have been a headteacher for 10 years, having been appointed to the Infant School in 2010, subsequently becoming the Executive Headteacher of Rise Park Academy Trust in 2014 when our two academies were opened, from which time they have gone from strength to strength, achieving two 'Ofsted Good Provider' judgements in May 2017. I am currently the Executive Headteacher of the Primary Wing of the SFAET.

Our popular and over-subscribed early years centre was opened in 2013, followed by an upper junior school block in 2015 and an innovative nursery provision in 2017.

The Local Governing Committee, Senior Leadership Team, staff and pupils are very proud of our broad and varied provision, which is ably supported by a very positive wider school community.

Our curriculum vision is based upon our "Learning Powers" of Respect, Inspiration, Self-Belief, Excellence, Passion, Achievement, Resilience and Knowledge, which also encompasses our three principal values of "Respect, Belief, Excellence".

We continue to work within the Success For All Educational Trust and build upon our professional relationship between the primary and secondary wings of the trust.

We can gain many significant benefits from this association, including effective transitions from the primary to the secondary phase, exciting teaching and learning opportunities, continuing staff career development and the advantage of being able to utilise economies of scale as part of an extended and developing multi-academy trust.

We welcome all parents, visitors and agencies to work with us in partnership, in order to continue to enhance and promote our growing educational offer.

We look forward to meeting you and working with you.

Carolyn Fox
Execitove Headteacher Primary Schools

Rise Park Infant School

We are very proud of the ethos we have created at Rise Park, we take great pride in the strong relationships we form with parents and carers in order to achieve the very best for our children. Our school is a very happy place where children feel safe and valued.

The addition of a school Nursery has strengthened our Early Years provision and enabled us to ensure a positive and smooth transition to full time school. We take time to get to know our families so we are fully equipped to meet the needs of individual pupils. Our Nursery and Reception leads work closely together and have a shared Early Years vision with the emphasis very much on child-led learning through play and exploration. Outdoor learning reflects the indoor classrooms and is accessible in all weathers.

As children move into year one, continuous provision is still very much a part of the curriculum. Children are able to participate in a wide range of creative and cross-curricular activities and this continues in to year two.

We have a dedicated team of staff who are committed to ensuring we provide a high standard of education for all of our pupils.

There is a real sense of community across our schools and we work closely together to ensure pupils develop the knowledge, skills and confidence to enable them to succeed.

Rise Park Infant School serves the community of Romford. Our core values of Respect, Belief and Excellence allows our young people to be the best versions of themselves.

Rise Park Junior School

We pride ourselves in offering a broad, balanced and creative curriculum to ensure that pupils learn from a wide range of exciting experiences. During the year, children are involved in a variety of themed days and weeks, including Arts Week, Science Week, Book Week, Spy Day and Egyptian Day, and we often hold assemblies and workshops for children to participate in, such as road safety, knife crime, an author workshop and online safety. Pupils also attend an educational visit each academic year, with Year six attending a residential trip to prepare them for their transition to secondary school.

During their time at Rise Park Junior School, pupils have the opportunity to take on a range of leadership roles and responsibilities. This gives them the opportunity to develop real-life skills and give them an opportunity to voice their opinions, in order to help develop a school of their own. Pupils also have the opportunity to attend a range of extra-curricular activities to pursue their interests and enhance their skills.

We are proud of the strong community links that we have made with others in our local area. We have also formed positive relationships with our parents and carers who are regularly invited into school during themed weeks and to concerts and events, as we understand the importance of their role in developing their child's education.

At Rise Park Academies, we have created a happy and welcoming ethos, for our whole school community, where parents, pupils and staff feel happy and valued.

We look forward to welcoming you to our community so that your child can develop in our supportive community.

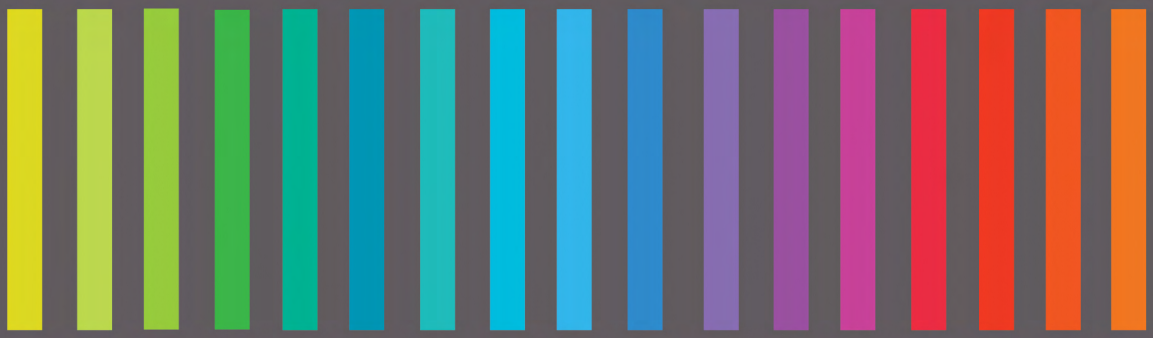
SECONDARY WING



SUCCESS FOR ALL

EDUCATIONAL TRUST

Sanders Draper School

We are a relatively small secondary school, where we have the opportunity to know each of our students as individuals. At Sanders Draper, your child will not get lost in the crowd, will be valued and will definitely thrive on the relationships built with our dedicated staff and with each other; this allows us to make success a reality for all of our students.

Family and friendship is at the heart of what we do and we understand children learn best when they are happy, safe and secure and we make it our job to ensure that we know every child.

We are a local school for local people. Who are proud of our past. Determined in our present as we prepare students for future success. Our key values of Teamwork, Hard work and Transparency guide us. Our students look 'To be the best we can be, by being true to our values'.

We are inspired by the brave actions of Raimund Sanders Draper and now look to be everyday heroes in our actions. We also understand and value the importance of developing the whole child ensuring they excel in and out of the classroom. All of this is achieved through a holistic approach and the support of our whole school community; children, families and the school working together for a shared goal.

We look forward to welcoming you to our Sanders Draper family.

The Royal Liberty School

The Royal Liberty school is a small secondary school for boys. We recently expanded to five form entry. We occupy a beautiful Grade 2 listed building which has been completely renovated and have recently added a new sports hall, catering and science classroom.

Our school has a unique character based around the positive and respectful relationships between all stakeholders. We are ambitious for our students and have steadily improved student outcomes. A number of our students gain entry to high performing 6th forms and we have had 4 students attend Eton and 1 attend Reeds on scholarships in the last 3 years.

We strongly believe that education is about more than qualifications and we offer a wide range of extra-curricular opportunities and leadership roles to develop well rounded young men who are well equipped to be successful in the future. We are very proud of the behaviour and community spirit of our students which was recognised by OFSTED 'Pupils are well behaved, respectful and courteous' and 'Parents value the sense of community, which is palpable throughout the school'.

The school has a rich history and we are celebrating our centenary this year. We have links with the Artist Rifles Association and maintain links with several Old Boy networks, including the Old Boys Association and the Old Libertians War Memorial Trust. We are a school that retains tradition and strives to move forward in line with our school motto 'Semper Procedens' (forever forward).

The Royal Liberty School is an all-boys school which serves the local community of Gidea Park. As a relatively small school we pride ourselves on knowing all of our students as individuals.

Redden Court School

Redden Court School is a successful, well-ordered and caring mixed comprehensive school for students aged eleven to sixteen which serves the Harold Wood community and surrounding areas. We are committed to the success of all our learners and pride ourselves on being an inclusive school which is fit for the Twenty First Century. We have a talented, well qualified and committed staff team who support our families at every stage of their child's journey.

The school has undertaken many refurbishment projects recently and boasts two new buildings with state of the art facilities. At Redden Court we are 'Committed to Success for All' and recognise our role in unlocking the potential of our students. This motto embodies what our school believes in and represents our common goal. We aim to incorporate this vision into everyday school life and ensure that all students have the best opportunities made available to them.

We take time to build the relationships between the family and school, since we believe that partnership with parents and carers is vital to every child's future success. We have a progressive approach to developing and delivering a curriculum which meets the needs of our students; providing extra challenge for our learners and offering additional support where it is needed.

Our school has a reputation for producing impressive educational outcomes and has strong links with Further and Higher Education institutions which supports the ambitions of our students. We are proud to be the founding member of the Success for All Educational Trust.
