

THE STOURPORT HIGH SCHOOL & VITH FORM COLLEGE

HEADTEACHER

Leadership Scale 25-31 (£89,830-£104,040)

Permanent Post Available September 2025

Stourport High School was a founding school in Severn Academies Educational Trust which now consists of a family of 8 schools from across the Wyre Forest. We are an outward facing trust, with strong local relationships and a commitment to growing the next generation of brilliant school leaders. Applicants to the Headship at Stourport High School can expect to be well supported by collaboration with best practice across our schools and through leadership coaching from experienced Headteachers and senior leaders across the trust. Working as part of our trust, Headteachers are well supported by Severn Academies to grow schools with a vision for the community the school serves.

As Headteacher, the postholder will be responsible for the effective strategic leadership and operation of the school according to its mission and values; candidates with strong pastoral leadership experience would complement the existing team, but are not essential as development opportunities are available.

You will be joining a school with clear direction for its improvement, centred around:

- Building a learning community
- Strong curriculum strategy
- Ensuring consistently good teaching
- Nurturing a culture of kindness and care
- Collaboration with our wider school community

With other benefits including:

- Teachers' Pension Scheme (TPS)
- A strong commitment to professional development
- Free confidential Employee Health and Well-being service including access to counselling support
- A family friendly employer

If you would like to apply please complete the application form via Eteach, linked on our website:
