

Person spec in the words of our school council

Our next head needs to...

be responsible, trustworthy, confident,
experienced, and a good listener.

be strict at times, but fair, reliable and
patient.

work hard to protect our rights as children
and keep us safe.

have a good sense of humour and a
sense of fun.

be good at maths to keep track of the
house points!

and be kind with children at the
centre of all decisions.
