## Welcome from the CEO of The Trust – LAAT

### Be a part of something bigger...

Dear Candidate

What if every child was unique with **intrinsic value**? What if every member of staff was unique with intrinsic value? What if every school was **unique** with intrinsic value? At LAAT we believe that they are.

We're a **Church of England** trust so we call it being made in the image of God. But you don't have to. You just need to be able to look at our children and young people – however deprived or privileged, however difficult or compliant, whatever their background, or ability, or culture, or gender – and know that what you do, how you teach them, what you give to them, how you relate to them can **transform** their lives. And then you must have the energy, and passion, and drive, to give them your best.

We don't ask you to do this alone. We'll provide you with the **support** of a MAT who believes that you too are unique and **valuable** – valuable for who you really are.

So, is now the time to think hard about what you want and to look at what Greater Lincolnshire and Lincoln Anglican Academy Trust can offer you? A chance to grow your career, **professional support** and the opportunity to transform lives.

Within fabulous **Greater Lincolnshire** with its beautiful beaches, woods, Wolds, fields and fens its 2-university city and its access to new and growing technologies. Its **reasonably priced houses** and home to the Red Arrows.

Is now the time to find out more about us and to join our **community of Excellence, Exploration and Encouragement?** To change lives with us, for the better .

Jackie Waters-Dewhurst  
Chief Executive Officer

**The Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. We will require the successful applicant to undertake an enhanced criminal record check via the DBS.**

# William Lovell Church of England Academy

We are a school on an aspirational journey.

Our vision is to be the best version of ourselves in an environment designed to be rewarding, stimulating, and challenging so that students can fulfil their potential. Our strong community creates a place of opportunity which allows its students to flourish, find expression, build strength of character, and make positive decisions when faced with adversity. This is guided and discovered through a rich pastoral system which makes a real difference to students' lives.

We are dedicated to building opportunities for all students to not only achieve the highest academic standards but also ensure that their unique personality, talents, and interests are nurtured and developed to the full. We have high expectations of our students and a laser focus on behaviour learning, leaving our highly skilled staff to focus on teaching and learning.

We know that there is a synergy between developing a well-rounded individual and a strong academic record. Our broad and balanced curriculum is complemented by an extensive range of enrichment activities such as creative arts, sports, music, student leadership and academic master classes, amongst many others.

Changes to, and investment in, the physical building and the environment saw us recruit some fantastic new members of teaching and support staff. We have further developments planned in IT infrastructure and refurbishment of one of our science laboratories this summer. This is not a school that stands still, and being part of a MAT allows us to continue to invest even when the national picture means budgets are tight.

With 3 out of 4 areas graded as Good by Ofsted (October 2023), we are looking for a Head who can secure a Good grading for Quality of Education, which will include considerable improvement to our published outcomes.

As a Church of England school, our underpinning values, which are deep-rooted in the Christian story, are the driving force of our academy. They resonate through everything we do, creating an inclusive culture where all faiths are valued, everybody is shown and receives **Respect**, **Truth** is modelled and encouraged, **Generosity** is given without expectation to receive, **Forgiveness** is practised, and **Justice** is demonstrated.

So whilst we are a school on an aspirational journey, the future is very exciting for students and staff at William Lovell.

**The LAAT Trust promotes diversity and wants a workforce which reflects Christian Values. Applications are welcome from all, irrespective of gender, sexuality, race, religion, marital status, age, or disability.**

# The Role of Lead Careers & Enterprise Education within our Trust

At Lincoln Anglican Academy Trust we are committed to ensuring that our children and young people are enabled to achieve and succeed, not only whilst they are with us, but also into their adult lives.

To ensure that they have both the skills and the aspirations which they will need, many of our schools have adopted The World of Work as part of their curriculum offer. This project started life in Canon Peter Hall Primary School in Immingham and has been taken up across the trust. The impact on the young people has been incredible, especially in schools with high levels of deprivation.

It is now time to harness the amazing work and ensure that all schools have access to it.

With this in mind, this post will include 1 day a fortnight dedicated to:

- Formalising the World of Work programme
- Ensuring its accessibility to all trust schools and prospective business partners
- Running a World of Work LAAT staff networking group to enable the sharing of successes and barriers
- Developing the links between the world of work within the curriculum, with a focus on William Lovell, to ensure all students see the relevance between education and employment
- Developing professional relationships with those businesses who sit around our schools and bringing them into the programme.
- Monitoring the effectiveness of the offer and its impact on students.
- Reporting to the LAAT board
