# Headteacher Recruitment Information Pack

**December 2020** 

## Introduction from the Governors

Dear Applicant,

We are absolutely delighted you are interested in the headship of Walwayne Court primary school commencing on 1<sup>st</sup> September 2021 and hope the information in this pack is useful to you. We would be really pleased to meet you and invite you to come and visit us to see our vibrant school in action.

We believe that the essential prerequisites for learning and creativity to happen are happiness and wellbeing; that everybody should have the opportunity to develop skills, knowledge, mindset and confidence with a smile on their face; and that if our whole school loves what they are doing, it will follow that our children, colleagues and community will achieve their full potential.

We are looking for a headteacher with the flexibility to:

- React appropriately and directly in a crisis,
- Apply experience and best practice when presented with familiar challenges, and
- Inspire a culture of leadership in the whole school; preparing our learning community for the future.

We believe this translates into four broad focuses in the immediate future:

### 1. Teaching

We need consistent, first-class teaching in our classes. This should feature a broad and diverse curriculum, accessible to all our children. It will be reflected in our attainment results and our pupil's readiness for transition to secondary school.

## 2. Culture

We need a collective culture of leadership, with self-awareness and responsibility at its core. This should feature an environment of trust and honesty where mistakes are used as an opportunity for learning and challenge is encouraged. It will be reflected in the progression of our colleagues and pupils.

#### 3. Communication

We need to foster a spirit of collaboration with our learning community. This should feature community input to our vision, aims and objectives, and their involvement in school. It will be reflected in how enthusiastic families and local people are to be involved in the school.

### 4. Creativity

We need a learning community that is adaptable and prepared for the challenges of the future. This will feature a sustainable approach to managing the school, and an open, collaborative approach to change and improvement. It will be reflected in how financially viable the school continues to be, and the willingness of our community to experiment with, and adapt to change.

We currently have a wonderfully enthusiastic cohort of 280 pupils on roll across 10 classes. The children are engaged and motivated, and live by the school values — Ready, Respectful, Safe. Whenever I am in school, I am always struck by their curiosity, and seemingly endless capacity to find opportunities in everything to have fun and learn.

We are proud to offer an extremely talented and professional workforce, consisting of colleagues with a variety of experience, and more than enough potential to progress and develop into leadership roles. We are certain there are multiple future headteachers among them, and we are particularly pleased and impressed with the quality of newly qualified teachers we have recruited over the past few years.

We also offer a dedicated governing body, who are keen to coach, challenge and support the new headteacher in developing the school effectively, and committed to building leadership capacity in the whole of our school community. We are excited to create an inclusive, aspirational and challenging vision for the future with our new headteacher.

We believe Walwayne Court represents a safe and exciting opportunity for an enthusiastic headteacher to develop themselves and showcase their leadership in building an outstanding education community.

We welcome visits to our school during January 2021. These will adhere to Covid-19 guidelines. If you would like to arrange a visit please contact Sharon Buxton, School Business Manager, by emailing <a href="mailto:sbm@walwaynecourt.wilts.sch.uk">sbm@walwaynecourt.wilts.sch.uk</a> or telephoning 01225 776886.

If you would like to apply, please visit <u>jobs.wiltshire.gov.uk</u> to submit an online application form and covering letter no later than **Monday 1**<sup>st</sup> **February 2021**. CVs will not be accepted.

We wish you all the very best of luck in your application and look forward to hearing more from you.

Yours faithfully

**Andrew Morrison** 

Co-Chair of Governors Walwayne Court School

## **Our school**

At Walwayne Court School our educational experiences inspire enjoyment and engagement to promote well-being for everyone, enabling them to fulfil their potential so that children have a sense of their role and place in the community.

The members of our school make this a special place in which children can grow into young citizens who are happy, kind to each other, confident and academically ready to take on the world and embrace the challenges that lie ahead.

Respect is at the heart of everything that we do at Walwayne Court School. The values 'Ready, Respectful, Safe' apply to all members of our community: children, staff, governors, parents, grandparents and volunteers alike, ensuring that this school is a happy place to come to. It is through this ethos that we all work together to provide a stimulating and purposeful learning environment. We pursue excellence through well-resourced classrooms and an enthusiastic, committed staff. Above all, we believe that in order to achieve the best for our children, it is essential that we work closely in partnership with parents, carers and pupils to support them throughout their time at Walwayne Court School.

We provide primary education for 4 to 11-year-olds in three stages: Foundation Stage, Key Stage 1 (Years 1 and 2) and Key Stage 2 (Years 3 – 6). There are ten classes across the school, a number of which have mixed year groups. In the Early Years Foundation Stage and Year 1 our teaching model is based around continuous provision, progressing on to more formal methods of teaching in the later years. The school has a very strong team of teaching staff, ably supported by dedicated support staff including teaching assistants, midday supervisory assistants, administrative and premises staff. There is a highly committed governing body and a dedicated parent teacher association (Friends of Walwayne Court School – FOWCS).

Our school is set in single level buildings in spacious grounds. The main building consists of a central corridor serving eight classrooms, two intervention rooms, an ICT suite, a well-stocked library area and a spacious hall. There is also a large staff room, First Aid room, offices, and a music room used frequently by multiple peripatetic music teachers. We are very fortunate to have a large teaching kitchen suitable for use by the children. There is a mobile building housing the remaining two classrooms, and we have a further intervention room on the edge of the playing field. All areas of the school are equipped with various computing facilities including desktops, laptops and iPads.

Our beautiful, extensive grounds include a large playing field and large playground, woodland, a pond, and various play equipment. We also have a Playpod. To the front of the school there is a further playing field, a wild garden, a polytunnel and a large vegetable garden. We also have a forest area where children undertake Forest School, gardening and DT projects. All of the above support our curriculum experiences. A child's education at Walwayne Court School will feature many opportunities to learn outside the classroom and through first-hand experience. Local visits around the town are common and trips further afield are also planned where this enriches the children's learning experiences. In Years 5 and 6 we also take the children on a residential trip. Opportunities for the children to perform and exhibit their work include nativities and plays, concerts, assemblies, and special events as part of specific topics and themed curriculum weeks.

There is a strong community in the local area and we have very strong links with many of the other schools in Trowbridge through our membership of Collaborative Schools Limited (CSL). Through this collaboration we are able to share good practise, participate in whole town and inter-school events and take advantage of cost benefits in multiple areas. There is also a good working relationship with the secondary schools where our children progress to in Year 7. The majority will move on to The John of Gaunt School, whilst a few opt for Clarendon Academy, or St. Laurence in Bradford-on-Avon.

## Location

Trowbridge is the county town of Wiltshire, with an expanding population in excess of 45,000. Situated on the River Biss in the west of the county, the town is well connected by road and rail and lies just 11 miles south east of Bath. Trowbridge is steeped in industrial and architectural history, having been at the forefront of the wool industry as long ago as the 14<sup>th</sup> century, as well as being the home of many well-established local businesses. The Kennet and Avon canal to the north of Trowbridge has also played an instrumental part in the town's development. Today many larger business chains occupy the shopping and commercial areas. The town also boasts a number of green spaces, both in the town centre and surrounding countryside. Numerous housing estates across Trowbridge make it a popular place for families to bring up their children.

Walwayne Court School is located on the north west edge of Trowbridge, in the centre of the Broadmead estate, a sought-after area for younger and older generations alike. The area is complemented with a Tesco Express, local fish & chip shop, chemist, and lots of open space that is well used by families, dog walkers and children. At the back of the school is a woodland area and community pond, looked after by a local residents' association. The town centre, railway station and the three Trowbridge secondary schools are all within walking distance.
