Fylde Coast Academy Trust (FCAT) was established in 2012. Our trust aims to provide the best learning opportunities for young people across the Fylde Coast and across Lancashire. The trust is a team of 10 primary, secondary and all through schools who work alongside our central services and school improvement teams.

Staff development is one of our key priorities. We want colleagues to thrive and enjoy their roles, form strong foundations in their expertise and knowledge to support further development in their career.

As a trust we work in partnership across our schools, local authorities, voluntary agencies, and other trusts to foster collaboration and knowledge sharing, which is critical to our culture of learning and development - We do this to best meet the needs of pupils and the families we serve.

Our values of excellence, integrity and resilience guide our approach with pupils and colleagues. Pupils are at the heart of all our decisions and their outcomes and successes are what drive us.

Dean Logan
CEO

Each of our schools has its own distinct identity, though we all share common goals and priorities. This is effective because we operate with high levels of cultural autonomy and mutual accountability.

Our schools encompass a diverse range of communities. For example, Garstang Community Academy serves a semi-rural area with a strong sense of local identity. Situated amidst picturesque countryside, Garstang offers a charming market town atmosphere with excellent local amenities.

In contrast, Hambleton, another school within the trust, provides outstanding education to pupils in a more rural setting. This offers a unique opportunity to experience the beauty of the Lancashire countryside whilst contributing to the education of young people in a different community environment.

This diversity within the trust provides a rich and rewarding experience for colleagues, allowing them to contribute to the success of schools serving different communities and gain valuable insights into the varied needs and aspirations of young people across the region.

More generally, the region itself encompasses a coastal area of Lancashire, including towns and villages along the Irish Sea. Towns within the region include Blackpool, Fleetwood, and Lytham St Annes. Each location serves a diverse population with varying socioeconomic backgrounds and cultural heritages. Blackpool, known for its tourism industry, significantly impacts the local economy and community dynamics.

Blackpool is a vibrant and diverse town, offering a unique blend of urban and coastal living. Our trust operates several schools across the borough, each serving distinct communities. Armfield and Mereside academies, located in the south of the town, cater to a diverse pupil population. Gateway Academy, situated centrally, serves a vibrant and growing community, reflecting the town's diverse cultural tapestry. In the north of Blackpool, Aspire, Westminster, Westcliff, Unity and Montgomery Academies each serve unique communities despite their proximity to each other. Each school offers distinct learning environments in response to pupils' needs. We have high aspirations of young people and have developed bespoke curriculums such as the curiosity approach and compass curriculum to meet need and raise expectations.

Westcliff Primary Academy is not just a school; it's a vibrant and highly regarded inclusive community where pupils arrive happy, safe and eager to learn. Our current Headteacher is retiring and we are looking for a Headteacher who can harness the school's positive culture and drive it towards outstanding outcomes.

Located in the heart of Blackpool, Westcliff stands out as a beacon of inclusivity and ambition. We are proud to be the only school in Blackpool with full 'Beach School' status, making the most of our coastal geography to deliver a creative, outdoor-focused curriculum that inspires resilience and curiosity in our pupils.

Westcliff's Key Strengths

- **High Standards & Behaviour:** Ofsted praised our "ambitious curriculum" and noted that staff have "high expectations of all pupils," who in turn "behave well and try their best in lessons."
- **Student Leadership:** We empower our young people to take ownership of their school. From our "Mini SLT" (School Council) to our "Resilience Ambassadors," pupil voice is a genuine driver of school improvement.
- **Inclusivity & Care:** We hold the Rainbow Flag Award and the Anti-Bullying Silver Mark, reflecting our commitment to a safe, diverse environment where every child is valued.
- **Academic Excellence:** Our commitment to a broad curriculum is evidenced by our Primary Science Quality Mark and Music Mark awards.
