

Dear Applicant,

Thankyou for your interest in applying for the role of Headteacher at Willow Tree Community Primary School.

Willow Tree is a warm, positive, inclusive school committed to high academic standards in the heart of vibrant Salford. We are a collaborative school with a strong, stable and resilient teaching and support staff. Our attendance is above national average because of a coordinated, insightful and determined pastoral team. As a Governing Board we are proactive in our support and accountability to school, offering regular support meetings to the Headteacher. In our most recent Ofsted (2025) we received Good in all areas, and Outstanding for Behaviour and Attitudes, this accurately reflects the calm, positive learning space at Willow Tree.

Our children are at the heart of Willow Tree. We are looking for a Headteacher who recognises and drives high educational standards for them, inspiring the whole school with a hopeful, aspirational approach. If you think this could be you then we warmly encourage you to arrange a visit to school and to make an application.

Kind regards,

Beth Myring

Chair of Governors on behalf of Willow Tree CE Primary Governing Board
