Lighthouse School in Leeds is a completely unique secondary school. In fact, we are the first of our kind in the country – a specialist free school. We focus on a 'destination-led' approach for our students who all have a diagnosis of autism (ASC). Our journey so far has been amazing and we are immensely proud of what our students have achieved. We are a 'Good' school with aspirations to be 'Outstanding' in the near future. Lighthouse School is dedicated to maintaining its fantastic reputation of providing an individualised education. We provide a flexible learning environment, which reflects the bespoke needs of each and every one of our students, and strong preparation for adulthood takes place. The school has a calm but purposeful atmosphere, provides a highly ambitious curriculum, is well resourced, and leaders are tenacious when pursuing support for students. The harmonious school community is founded on respect and tolerance.

We are committed to inspiring and enabling our students, delivering meaningful skills for life in a holistic, nurturing, and stimulating learning environment. This is achieved through exceptional teaching, unwavering support, outstanding work experience, positive interactions, and role models. We repeatedly instil good behaviours in order to encourage resilience, independence, confidence, and wellbeing in all of our students.

Staff are well trained and are developed to be effective in their roles. They say their workload is manageable, and early career teachers are well supported
