### Higher Level Teaching Assistant (HLTA)

18 hours per week, 38 weeks per year (term time)

HLTA Level 4 pt 12 NJC 2020 Currently (£22,183 annually, pro rata to £10,192.62)

At Burwell Village College we believe that every child has the ability to succeed if we give them the right opportunities. We have recently rewritten our curriculum to reflect the highest standards in all curriculum areas. We know that giving children support in areas they need is crucial to their success in life, making them believe that they can achieve anything. This what our team of HLTAs does. They give children the belief that they can succeed. We want to strengthen this team further by bringing on board staff who can deliver and develop intervention packages that support all of our pupils.

Our HLTAs provide invaluable additional teaching and learning that allows pupils to access learning at a better level, supporting them to practice fundamental skills and support their well-being by developing their resilience alongside the class teachers. HLTAs run a number of interventions across the week including Fast Track Phonics, Success at Arithmetic, ERT and SNIP spelling. We are looking to add to these interventions over the next couple of years and particularly looking at speech and language support in key stage one.

The children here are well-behaved, hard-working and eager to learn. The facilities are fantastic with space and equipment readily available. Parents are keen to support the school and are positive about the improvements already being made.

This is a brilliant opportunity to make a real difference to the lives of the over four hundred children. If you really want to have a measurable impact on children's life chances, Burwell could be the school for you. If you have the knowledge and skills we are looking for then we would be really keen to hear from you.

If you would like to know more about the school, please contact the school office and ask to speak to the Headteacher. We can arrange Zoom, Teams, Google meet or FaceTime conversations, as well as traditional phone calls. We are able to offer visits to the school by prior appointment.
